Our Theme - “The Joy of the Gospel - Putting our Faith in to action”

Sunday 31 July, 2016 – Eighteenth Sunday in Ordinary Time – “...To whom will all this wealth of yours go?...” (Lk 12:13-21)

Dear Parents, Guardians, Care Givers, Grandparents and Students,

The parable in today’s gospel depicts a man who has so much grain that he decides to build bigger barns to store it all. The parable follows Jesus’ teaching that ‘a man’s life is not made secure by what he owns, even when he has more than he needs.’ The point is about having more than we need.

This theme that wealth can be an obstacle to entering fully into relationship with God, runs through the gospels. It is not wealth in itself that is problematic but rather valuing material riches above everything else and the constant desire to accumulate more and more.

I remember the in the movie, Wall Street, the corporate raider, Gordon Gekko, famously declares: ‘Greed is good! Greed is right! Greed works! ... Greed – for life, for money, for love, knowledge – has marked the upward surge of mankind!’ Whilst the depiction was intended to parody and critique corporate behaviour of the 1980s, in many ways it came to define it instead. In the intervening decades, little has changed. The pursuit of more and more wealth and the ludicrous sums paid to corporate CEOs are exactly the imagery Jesus would use today for his parable.

Money can make life a little easier to manage at times, but a famous proverb proclaims that ‘money can’t buy happiness’.

I am sure that some of our students have recently experienced of this “money can’t buy happiness” example.
Our immersion students who have just returned from Kiribati last Friday evening were awash with stories of their time with those that are materially poor. The Kiribati nation is one of the poorest countries on earth. From what I picked up from that short time with them at the airport with their families (and the original immersion group from last year) – was that even though they are amongst the world’s poorest peoples – they were a very proud and happy people. Their wealth does not lie with money or what they have. Their family and relationships with God and one another – is at the keystone of their life.

I am sure many similar examples would be seen from our other immersion trips these past holidays – Central Australia and the current World Youth Day in Krakow, Poland.

Our society may have a great deal to learn from these people who simply do not have the money or the products that we have in our consumer driven existence.

We are constantly challenged by God to ensure we have improving and developing positive relationships with our friends and family. We as Christians are also challenged to make this world a better place by putting our faith into action with those that are more needy and less fortunate than ourselves.

Congratulations to our students and staff on a great immersion experience to Kiribati, Central Australia and those still at World Youth Day in Poland.

A similar sort of experience is available through our Parent community. This is in the form of our Community Tutoring Program as well as The Dish. During the holidays I received the email below about The Dish:

Hello Dish Team St Leo’s,
I’ve just returned from The Friday Dish and felt compelled to share the following with you. This evening, on two separate occasions, I was approached by two ‘friends of The Dish’ with beautiful comments regarding the amazing meal last Tuesday. They were both quick to say they always love the food provided, but last Tuesday must have been pretty special. Thank you to everyone who so generously supports this important missionary work.

Staffing
We officially welcome Mr Daniel Petrie, our new Religious Education Coordinator who officially started here last Monday. Many of our students have already met Mr Petrie as he was here periodically at the end of last term. The College community looks forward to Mr Petrie’s vast experience and enthusiasm to enhance our Catholic identity.

At the end of this week we say farewell to Ms Hayley Tuffin (English teacher). Hayley and her family are moving north and we thank her for her expertise and the dedication she has for her students. We welcome Ms Kim Kitson back to St Leo’s to take Hayley’s place. Ms Kitson is a very experienced and accomplished teacher and has been at St Leo’s previously. Welcome to both Mr Petrie and Ms Kitson.
Email from Mr Peter Hamill—the Director of Schools, Catholic Schools Office

Last week all families should have received an email from Mr Hamill outlining the reasons for a fee increase from the start of 2017. If anyone did not receive this email – please contact College Reception and we will send you the email.

If any parent/guardian has any questions or concerns – please contact the Business Manager or myself as soon as possible.

I will be addressing this topic as part of my upcoming Principal's Update for this term on Thursday 11 August at 7pm.

BBSSSA Netball Championships

Last Thursday I had the pleasure of attending the Girls BBSSSA Netball Championships at Pennant Hills. The rain eased and our girls were very enthusiastic and keen on doing their best. We were able to field a full contingent of teams competing against 8 other schools in the Diocese. One of the most impressive games was the Seniors Vs Mater Maria. Our team came back from a convincing lead by Mater and they played as if their lives depended on the result. Had there been another 5 minutes left in the game – it may have been a different result.

Thank you to those students and staff who took part in these Championships.

Art Works On Display in the Public Eye

During the holidays we received news that two of our students’ art works were on display in the public arena!

Congratulations to James Stibilj (Year 9) who was selected as a Finalist in the Young Archies (the junior section of the Archibald Prize) in the 13-15 Year old section. Over 2000 entrants were received and six were chosen. His portrait is of Kath Davies a family friend, mother of three, founder of the Possibility Project and his creative mentor!

Jess Saliba (also of Year 9) and James Stibilj, both have their work currently being exhibited in the Mosman Youth Art Prize Show.

Congratulations to both of these young artists! See Art News.

Reports
The Year 7 – 10 Semester 1 Reports and Parent Student Teacher Interviews at the end of last term provided feedback about student achievement and efforts throughout semester 1. I am sure that the discussions at home over the holidays provided the opportunity to praise efforts and acknowledge achievements, while also providing a focus for goals in Semester 2.

If you have any questions about the reports or would like further information about your son/daughters progress please contact the relevant teacher at the College at any time.

Year 7 – 10 Semester 1 Awards Ceremony
The Year 7 – 10 Semester 1 Awards Ceremony will be held on Tuesday 9th August (Week 4) from 11am until approximately 12:40pm. We welcome any members of our parent community who would like to join us for this occasion. Parents and Caregivers of award winners will receive an invitation to the awards ceremony over the coming week.

Year 12 Trial HSC Examinations
The Year 12 Trial HSC examinations commence this coming Monday 1st August and conclude on Monday 15th August. I would ask you to keep Year 12 in your prayers during this significant assessment period.

All students have been given their Examination Timetable. I would ask parents to work with students to ensure that they know the correct location and time for each of the examinations. If your son/daughter is sick and unable to attend any examination during this time it is vital that you notify the College and that upon return they complete the illness/misadventure process properly.

On behalf of the College we wish our Year 12 students all the best for their upcoming HSC Trials next week. In order for any final preparations to be done – the Library will be open to 6pm each day this week. Thank you to Mrs Todd and Mr Solomonides for giving up of their time so our students can maximize their performance in these important assessment tasks.

College App
The new College App - Skoolbag now up and running. The App is FREE and in both IOS (Apple) and ANDROID versions. You can download Skoolbag either from the “Google Shop”, “The App Store” or “Windows Mobile” using the links below:

**Catholic Life and Mission**

“Preach the Gospel at all times. If necessary, use words”

St Francis of Assisi

This quote exemplifies the beginning of my journey at St Leos. The college family is alive with the joy of the Gospel and offers a tangible sense of a communal heart that seeks to serve and love.

This week we welcomed back our staff and student pilgrims from Kiribati who sacrificed their holidays to live and serve in solidarity with our pacific brothers and sisters. This week heralds the commencement of the World Youth Day week in Poland where St Leo’s staff and students gather to worship and celebrate what it means to be Catholic in 2016.

Our College Chapel is humming already as the spiritual engine of the school. Today the chapel was host to the next Year 10 group embarking on the Street Retreat program led by Mr Kershler, who prepared them for their mission of encounter, dialogue and service with the homeless which will take place this Wednesday in the CBD. Countless volunteers from Year 11 have come forward to be trained as Eucharistic ministers which will also take place in the chapel the following Wednesday. Our talented singers in music have been rehearsing for their performance of ‘The prayer’ as the musical and transcendent component at the Parliament of World Religions taking place on the 3rd of September in North Sydney.

In just one week, the evangelising enterprise of our school family is striding forward. The spirit, courageous hearts and innovation that is alive at St Leo’s is breathtaking. I sincerely look forward to sharing the journey with and contributing to the extraordinary community here at Wahroonga.

May God bless and hold St Leos in the palm of His hand as we plan and give life to the vision of the next 60 years of the college.

**From the Mathematics Department**
Maths Help commences for Term 3 Monday Week 2 in the library till 4pm. Success in Mathematics requires consistent effort and revision. All students are welcome and encouraged to attend.

The AMC Mathematics Competition is on Thursday 28th July. Those students that have handed in permission notes to participate will sit the competition during periods 3 and 4. This is a 75-minute paper therefore students will return to their period 4 class when finished.

**Approach to learning**
As we approach the second semester now is a good time to do a bit of a check-up to see if you can improve your approach to school: Mark each point with a Yes or No.

- Have you set yourself goals to strive for over this year?
- Do you know what motivates you to do work?
- Do you try to take a positive approach to your studies?
- Are you making the most of class time, listening and focusing and completing all work?
- Have you been asking for help if you don’t understand something?
- Have you been writing all your homework into your diary or online planner and getting it done?
- Have you been working on study notes each time you finish a topic for a subject?
- Have you thought realistically about whether you have too many outside school activities?
- Have you allocated set periods of time for school work (eg at least 3 x half hour blocks)?
- Do you remove all distractions etc. when you are focusing on your schoolwork at home?
- Do you prioritise each afternoon what you will work on that night?
- When you study for a test, do you both ‘learn’ the content and ‘practise’ the skills?
- Have you reviewed the different study techniques that you should use for your learning style and have you set up routines to try and create habits that will help you this year?

CONGRATULATIONS
Young Archies, Art Gallery of NSW

The Young Archie competition invites budding artists between the ages of 5 and 18 to submit a portrait. Beginning in 2013, this annual competition is judged by the Gallery’s senior coordinator of education and family programs and a guest judge, based on merit and originality - AGNSW website

James Stibilj in Year 9 entered the Young Archies and his portrait of family friend Kath Davies, has been selected as a finalist in the 13 - 15 years category. Only 5 finalists per age group are selected and in 2015 over 2,200 young people entered the competition. This is a huge achievement and James is to be congratulated on his sophisticated and original artwork. As well as online, all finalists are displayed at the Art Gallery of NSW held in conjunction with the Archibald, Wynne and Sulman Prizes exhibition.

Year 9 Visual Arts students will be visiting the Gallery in the coming weeks to view the Archibald Prize and will be able to see James’ work in person. The exhibition runs until the 9th October.

Mosman Youth Art Prize

The Mosman Youth Art Prize is an annual competition organised by Mosman Council aimed at encouraging the creative talents of young, aspiring and emerging artists and providing a showcase for their works. It was initiated in 1988 by the internationally renowned artist and local resident Ken Done AM. The Prize is open to all young people aged 12-21 years and is one of the richest Youth Art Prizes in Australia - Mosman Art Gallery website

This year Jessica Saliba and James Stibilj (both of Year 9) entered the Junior Category and were selected to exhibit their artworks at this annual exhibition.

On Thursday 21 July I had the pleasure of attending the opening night of this fabulous exhibition and the winners of the Mosman Youth Art Prize 2016 were announced. Winners received collectively over $8,000 in cash prizes and $6,000 in art scholarships, materials and prizes.

On behalf of the Visual Arts Department, I am very proud to announce that James Stibilj won the Junior Category. Please go along and see these outstanding works at Mosman Art Gallery. The exhibition runs until the 7th August.

Entries for the ACU Pixel Prize photography competition close on 1 August. Every year, the Australian Catholic University warmly invites secondary school students to participate in the ‘Pixel Prize’ photography competition. The competition is a wonderful opportunity for students to develop their skills in photography and to join a community of emerging visual artists working in photography. A selection of the best NSW entries will be exhibited in the McGlade Gallery from 13 October to 29 October at the Mount St Mary ACU campus at Strathfield, and prizes will be awarded in a number of categories.

If you have any questions about the competition please reply to australianpixelprize@acu.edu.au.
Are you a budding filmmaker? Enter V-fest. Details can be found on the flyer below.

Good luck.
NCSS Programming Challenge 2016

Over the next 5 weeks from August 1st-September 4th thousands of students from around the world are competing in a python programming challenge. The Challenge is run by Grok Learning from Sydney University and no prior knowledge is required. Tutorials and online tutors are provided as part of the course. Come to AG3 Tuesday at lunch for more information.

Duke of Edinburgh’s International Award

At St Leos we have been delivering the Duke of Edinburgh’s International Award for some time. The Award is an extra curricular program that challenges participants to learn new skills, undertake physical activity, serve others and step outside their comfort zone.

The closure of Southern Cross Outdoor Education Centre, our previous provider for Adventurous Journeys, has caused some disruption to this section of the program. We have now sourced new providers and are in the process of planning our next Bronze Journeys to be held this term. For participants of the Silver and Gold awards we are building partnerships with other Diocesan Schools and providers that offer open enrolment programs.

We currently have space in the program for new participants and are encouraging all students 14 years and older to consider taking the challenge. The program can be joined at any time after turning 14. Direct entry to Silver and Gold awards is possible.

Girls are currently underrepresented in our participants and we would like to address this so please have a conversation with your daughters about having a go. Information on the program can be found at www.dukeofed.com.au and I can be contacted by email at andrew.intronai@dbb.catholic.edu.au

**All Schools Cross Country**
Last Friday (22<sup>th</sup> July), Harvey Timms (Year 11) competed at the NSW All Schools Cross Country at Eastern Creek. After winning the BBSSSA Cross Country and finishing in the top 10 at the NSWCCC Cross Country, Harvey was selected to represent NSW Catholic Schools. This event has the strongest 6km runners in the state and also Australia competing and Harvey was able to place 20<sup>th</sup> at the Championships. Well done Harvey.

**Year 7/8 Touch Football Championships**
Over the past few years we have built a strong reputation in touch football with successful teams in all age groups both in Broken Bay and All Schools events. Earlier in the year we were successful in the Year 11/12 Mixed Touch State Championships, and also a close loss in the Barker Touch Final in Term 1.

This tradition has continued at the recent Year 7/8 Regional qualifying event at Manly. Throughout the day the girls were competitive in all matches being beaten by the odd try. The boys side were successful in qualifying for the All Schools Touch Football State Finals later in the year after finishing 2<sup>nd</sup> at the Regionals.

Well done to all players.

**Girls:** Hannah McFadyen, Jenny Wylie, Chelsea Williams, Rianna Swain, Penelope Chan, Sienna Odd, Emily Strada, Isabella Towson, Chloe Cliff, Monique Dever, Elyse Timms, Rachel Glendenning.

**Boys:** Aiden Brophy, Nicholas Andersen, Nicholas Kelland, Patrick Nowland, Connor Hurley, Mitchell MacDonald, Jake Thompson-Doolan, Mahti Fatemi, Daniel Hoare, Jordan Mamari, Ethan Lush, Tav Hughes, James O’Connor, Brendan Roworth.

**Broken Bay Netball**
Last Thursday, four St Leo’s teams travelled to Pennant Hills Netball Complex for the BBSSSA Netball Championships. All teams performed extremely well on the day with all teams finishing in the Top 8. The Year 7 team played well throughout the day under the guidance of Meg Fletcher (ex student) finishing with 3 losses and 2 draws and finishing 8<sup>th</sup> on the day.

The Junior team being made up of Year 8 students had a rocky start to the day but found their rhythm in the later games and by the end played Stella in the 7<sup>th</sup> and 8<sup>th</sup> playoff. This was an end to end battle with Stella going ahead late on with the St Leo’s team finishing 8<sup>th</sup>.

The Inters girls started strong from the first game with their passes sticking and a high work ethic. After a narrow loss in the pool matches they finished 3<sup>rd</sup> in the Pool and played Mater Maria in the 5<sup>th</sup>/6<sup>th</sup> playoff. It was evident that the girls had played high intensity netball throughout the day and were narrowly beaten but a 6<sup>th</sup> place places them highly for the upcoming NSWCCC championships.
The Senior girls represented the College in the BBSSSA Netball and were placed in the strongest pool playing games against Mount St Benedict, St Joseph’s and Mercy. The girls played well throughout and had narrow losses to MSB, and St Joseph’s before a dominant performance against Mercy meant they faced Mater Maria in the playoffs and were beaten by the odd goal, finishing 6th overall.

Well done to all girls who represented the College and achieved strong results. Also a big thank you to Michelle Monteiro, Melissa McMahon, and Meg Fletcher who coached on the day and to Mr Tony Gleeson for coming down and supporting the girls.

Peninsula Cup
After a strong showing in the Peninsula Cup in Term 2 with the U/14, U/16 and Open Boys Soccer we have entered two teams into this term’s competition. The U/14 and Open Girls Soccer team commence their seasons in the next few weeks with high expectations of going a long way in the competition. The girls have been training hard and it is now the opportunity for them to show their training efforts on the pitch. The draws for both sides are listed and have been sent home to the students over the last week.

Good Luck Girls we look forward to hearing of your results.

PARENT AND STUDENT
STUDY SKILLS
EVENING

St Leo’s Catholic College presents an opportunity not to be missed:

“TOOLS FOR SUCCESS”
with Dr Prue Salter

TO: PARENTS & STUDENTS OF YEAR 7 and 8

Would you like to know the secrets to success in high school?

Years 7/8 Parent & Student ‘Study Skills’ Evening

Wednesday 17th August 2016, 7 - 8.30pm
The Light Of Christ Centre
St Leo’s Catholic College

An interactive evening for parents and students outlining tools and techniques for students to achieve their personal academic best.

Prue Salter is the founder of ELES (www.enhanced-learning.net) and an expert in the area of study skills. She has conducted over 4000 study skills seminars across Australia and Asia, has written 20 study skills resource kits for schools and is the creator of the online and interactive study skills website used by more than 120000 students (www.studyskillshandbook.com.au).

Prue has recently completed her PhD exploring whole-school integrated approaches to developing students’ self-regulated learning skills.

Parent/Guardian(s) and students should attend together. 
As the session is very interactive, the session will not be of full value unless both the student and a parent attend.

Both students and parents also need to bring along a pen each (and one highlighter for the family) and the school diary.

The main areas that will be covered are:
- Managing homework and assignments effectively by efficient time management.
- Learning to be more organised for school and at home.
- Working and studying effectively in high school.
