The St Leo’s newsletter, “The Pride” is now posted on the College Website under St Leo’s News. This print only version will be archived on the College Website and as a hard copy available from the College reception.

Principal’s Message

“But in those days, after that suffering, the sun will be darkened, the moon will not give its light, the stars will come falling out of the sky and the powers in the heavens will be shaken. And then they will see the Son of Man coming in the clouds with great power and glory. Then he will send out the angels, and gather his elect from the four winds, from the ends of the earth to the ends of heaven. From the fig tree learn its lesson: as soon as its branch becomes tender and puts forth its leaves, you know that summer is near. So also, when you see these things taking place, you know that he is near, at the very gates.” (Mark 13: 24-32)

Sunday’s Gospel, like many apocalyptic writings, is difficult for us to relate to in modern society. Brother Julian McDonald enlightens us about the purpose of apocalyptic writing and the fact that this type of literature was often ‘created by clever people to cater for the oppressed, so that their oppressors could not understand the messages that were being communicated. It was an interpretation by the writer of current events, but presented as a prediction from an earlier time’.

No matter how the passage is interpreted it clearly suggests that we need to be ready to face judgement when the time comes. We are reminded of the importance of the Sacrament of Reconciliation and we are encouraged to forgive others just as we wish to be forgiven for our failings.

Dear Parents, Guardians, Care Givers, Grandparents, Students and Friends,

The Inaugural Volunteers Thank you Cocktail Party

Last Tuesday night we had a wonderful evening to thank all those who volunteer their time and knowledge and skills to all facets of our school. When creating the list it was humbling to see over 100 names of people who have volunteered to assist the school. Parents and friends of the College have volunteered as Parish Priests, Board members, Parent Network helpers, literacy and numeracy tutors, exam writers, assisting with our social justice outreach activities, providing information for our students and staff on health issues and the law, assisting in coaching of sport and debating, assisting in the College shop and book hire and the list goes on.

In the evening I referred to John Hattie’s book Visible Learning. John and his team of researchers have analysed over 50000 studies to determine what effects student learning outcomes. It has been shown that parental involvement in their child’s learning to an extent where they can use the language of learning has a greater effect on student outcomes than class sizes, teacher expectations, family finances and even homework! The best way to be involved to this extent is to attend the Parent Network Connections meetings each term and regularly read the whole newsletter.

I would like to thank Ms Jenny Marshall and her Year 12 Hospitality VET students for preparing and serving the delicious food, mocktails and beverages. The standard of food and service was of the highest standard. Well done.

I would personally like to thank all those who have volunteered to assist us in 2012. Your contribution has made a real difference to our school.

Working through to the end!

Moving into week seven of the term, we can see the end of the year is coming soon but it is not here yet! Over the next couple of weeks there are massive opportunities for learning as students and staff review the yearly exam results and attempt to correct any misconceptions or gaps that may have been identified.
through this recent assessment. I would encourage you to discuss the importance of working hard through to the end of the year with your children. A good way to do this is to ask to see their exams as they get them back. Congratulate your child on their strengths and assist them in identifying areas that need work. Please remember to look for positives and celebrate every little achievement. If for some reason the positives are few and far between, remember, excuses for poor exam results are pointless, what truly makes a difference is using this feedback to correct misconceptions and identify areas that need further practice.

St Leo’s ‘Year in Review’ Presentation Night - Years 7 - 11
I quick reminder that the Presentation Night will be held on Friday 14th December, in the Light of Christ Centre this year. This night is a celebration of the entire year for all students Year 7 through to Year 11. The planning has already started to make this a true celebration of all things good about St Leo’s. I have no doubt that our new format will include as many students as possible and make the evening a slick, entertaining event. Please look for more details in the upcoming weeks.

Representative Sport - ‘St Leo’s continues to offer Representative Sport!’
As mentioned in the last Pride report, we are currently in the process of finalising a number of representative sports options for 2013. These options will effect both boys and girls. Information on our options for 2013 will be produced and distributed via a letter and on our website by Wednesday 21st November. I am keen to hear the thoughts of our students, staff and parents before a final decision is made.

We are at a time of change for sport at St Leo’s however we see this as an opportunity to build on what we already have, being part of the BBSSSA and to increase the participation of sport in the College. I can not express strongly enough that St Leo’s will continue to provide opportunities for both boys and girls to represent the College in a variety of sports.

If you are keen on sport, as I am, let your thoughts on the proposals be heard by emailing me at marc.reicher@dbb.catholic.edu.au.

Congratulations to the our First XI cricket team on another convincing win against Normanhurst Boys in the Northern Districts Cup.

Marc Reicher, Acting Principal
Message from the Assistant Principal

Attending School
Some of the following information is available from the Department of Education.

You will all be aware that in 2010 the NSW State Government made adjustments to the legislation regarding attendance at school. This means that all children must attend school from the age of six and must complete Year 10. After Year 10 and until they turn 17 years of age students must be:
* in school or registered for home schooling, or
* in approved education or training (e.g. TAFE, traineeship, apprenticeship) or
* in full-time, paid employment (average 25 hours per week) or in a combination of work, education and/or training.

Must I send my child every day?
YES. It is a condition of enrolment that you send your child to school every day. There are a small number of reasons allowed for absence including:
Illness or infectious disease
a serious or urgent family situation
fulfil a special religious ceremony
For St Leo’s note explaining this absence is required, even if notification has been via phone or e-mail has been made. A valid signature from the parent/guardian is essential.

Principals can request medical certificates or other documentation for long or frequent absences explained by parents as being due to illness.
If Principals don’t consider an explanation to be satisfactory, they will record the absence as unjustified.
If children of compulsory school age have recurring numbers of unjustified absences from school the College must notify the Catholic Schools Office.

In the first 8 days of Term 4 the College had the following numbers of full day absences:
9th October  40  4.5% of student body
10th October 45  5.07 %
11th October 41 4.61%
12th October 56  6.3%
15th October 36  4.05%
16th October 42  4.73%
17th October 35 3.94%
18th October 27  3.04%
Out of a student body of 888 (5 Year groups)
While the total of 322 student absences is significant when taken as a percentage some realism enters into the equation.
Unfortunately a significant number of these are unexplained absences with parents/guardians failing to correctly advise the College of the reason for the child/ren being away.
Parents/guardians are requested to send in notes of explanation as soon as your child returns to school.
We would ask parents to be careful when giving permission for your child to be absent from school. Make sure that the need for a day at home due to an illness is more important then the disadvantage of time lost in the classroom.
Allowing your child/ren to stay at home for non-valid reason such as birthdays, shopping, minding other children, minor family events, routine check ups, or sleeping in is sending a message that education is not valued

However in all considerations of absence what is important to note is that students are missing out of significant learning.

Why is arriving at school on time important?
Arriving at school and class on time:
ensures that your child doesn’t miss out on the important learning activities scheduled early in the day when they are most alert
helps your child to learn the importance of punctuality and routine
gives your child time to greet their friends before class and therefore reduces the opportunity for classroom disruption.
Lateness is recorded as a partial absence and must be explained to the school the same way as other forms of absence.

Mrs Susan White, Acting Assistant Principal
Pastoral News

**Year 10**
This week, students in Year 10 have been sitting for their exams.

During week 7, all students will be involved in preparations for the upcoming camp.

The RSVP deadline for the Year 10 Semi-formal is Friday 16th November, 2012. If you have not received the details of this event, please inform me urgently.

The Year 10 Camp details have also been posted. The permission slip and medical documentation must be returned to the main office by Monday the 19th November. Once again, if you have not received the details of the camp, please inform me urgently.

Year 10 Coordinator,
Angelo Solomonides.

Student Leadership

*Chanel 2013 Term 2*

We are the house captains for Chanel for 2013: Alicia Hickey, Harry Millard and Ryan Drewett. Through our roles as leaders we aim to promote house spirit and provide an understanding of what it means to be a part of Chanel. In Term 2, we will be organizing sausage sizzles, mufti days, homeroom breakfasts, aged care centre visits, sports competitions and art competitions. There will be a Liturgy on Chanel’s Feast Day in Term 2, where there will be a blue themed mufti day.

The charity we have chosen to focus on in Term 2 is the the Caritas ‘Walk as One’ program. This charity is inspired by the missionary works and actions of Chanel. We want to use our patron Saint Peter Chanel as a model for our students to follow. There are a few fundraising ideas that we plan to implement during the course of the year.

As House Leaders we envisage getting our students more involved and proud to be a part of Chanel. Currently no one really knows their house. We want to resolve this by giving more opportunity to build House spirit. Hopefully we can change Chanel’s attitude towards House spirit and create a more unified house.

Loyola

Hi everyone, we are Sanchia Bright, Luke Khoudair and Utkarsh Somaiya and we are the 2012/13 Loyola house captains. Throughout the year we will be organising various activities and events to build house spirit and encourage participation in school activities.

On Wednesday the 31st of October we held our first house breakfast. The feedback from both teachers and students who brought food was positive and everybody enjoyed themselves.

We are currently in the process of preparing for the swimming carnival, which will be held on Friday the 23rd of November. With the whole school attending, we expect to build great school spirit amongst the houses.

During the course of the year we will help to organise St Leo’s Day, as well as our own patron feast day.
Xavier
We are the Xavier colour house captains: Nicolette McArdle, Adam Page and Tobruk Sloane. We have a few announcements to make regarding upcoming events for the whole school and the Xavier House in particular.

WHOLE SCHOOL
A reminder about the Vinnies Christmas Hamper Appeal. The Christmas season had started and there are some families who need our support. As a school we are compiling a variety of Christmas Hampers for specific families.

Each colour house of each year group has a unique family supported by Vinnies for whom they will make a hamper. Each year group has 8 homerooms (2 of each colour house), therefore for the hampers there will be 4 families per year group. For example 7 Chanel 1 and 7 Chanel 2 have the same family and will contribute to the same basket.

Collection of hamper items will be on every Wednesday and Friday homerooms outside the residence. A suggestion of items to bring are on following page.

Xavier House Liturgy
The feast day of St Francis Xavier, our house patron saint, is on the 3rd of December, but because this is a Monday and school assembly is on, the Xavier house will be celebrating the feast day through a house liturgy on FRIDAY 7th DECEMBER during extended homeroom.

A mufti day for the Xavier house is also planned on the same day Friday the 7th of December. We encourage students to wear as much red as possible to celebrate the feast day of St Francis Xavier, and create a positive house spirit.

Swimming Carnival
The swimming carnival will be held at Sydney Olympic Park Aquatic Centre on Friday 23rd November 2012. The Xavier house will sit together and we encourage the participation in as many races as possible. Every race swum by a Xavian will contribute to the house cup tally for Xavier. It has been a while since Xavier has won a swimming carnival and we hope this year to end that streak.

Please consider swimming in the carnival and earning points for the house. Mr Trotz has made it compulsory for students in Year 7 and 9 and PASS students of Year 9 & 10 to participate in at least one event at the carnival. We encourage all year groups in the Xavier house to participate in as many events as possible, and not just the one required. Students may bring red a red t-shirt, streamers, balloons etc. to support the Xavier house.

Please note a meeting regarding the swimming carnival will be held during an extended homeroom in the coming week.

Also anyone who may want to be in the Relay Team for Xavier can approach any of the House Captains any time, or at the upcoming meeting.
Suggestions for Christmas Hampers 2012.

The following are merely suggestions for items for your Christmas Hamper. Contents will vary, of course, according to what you can afford and your recipients (e.g. food for a family with five children will be different from that for an aged couple). However, the important thing to remember is that you are providing some special treats for Christmas Day and the holiday period and, if possible, a gift for each person.

Christmas Goodies
Christmas cake
Christmas pudding
Mince pies
Tinned ham
Shortbread
Sweets
Chocolates
Potato crisps/pretzels
Long life custard (for pudding)
Long life thickened cream
Special biscuits
Jetz/Water biscuits
Muesli bars
Christmas table cloth/candles/crackers

Drinks
Tea
Coffee
Fruit juice
Cordial
Milo

Spreads
Good jam
Honey
Vegemite

Dried Food
Peas / beans
Potato
Pasta
Fruit
Rice
Special biscuits

Gifts
Suitable for those on your list

Groceries
...any or all of the following where appropriate.
Tinned Food
Red salmon
Tuna
Three bean mix
Potato salad
Tomatoes
Baked beans/spaghetti
Pasta sauce
Corn niblets
Carrots

Personal Items
Toothpaste/toothbrushes
(especially welcome for children)
Nice soap, shampoo, conditioner
Handcream
Talcum powder
After shave/shaving cream
Cologne
Baby needs (if there’s a baby in the house)

Please: NO frozen or perishable food, no nuts or peanut butter, no rusty cans, and definitely NO ALCOHOL.
Mission News

News from around the College

Year 10 Students and their parents - Record of Academic Achievement (RoSA)

At the Parent Information Night held in February this year, information regarding the new credential for school leavers, the Record of School Achievement (RoSA), was provided.

Earlier this week I met with Year 10 students to remind them about what the RoSA means for them, and to advise of some important dates. Key points in my discussion with students were:

- the RoSA for Year 10 will reflect student achievement in grades (A-E) as submitted by the College. The grades are derived from assessment tasks completed throughout the year, including the Week 6 examinations
- Students are now able to activate their Students Online account using the e-mail address they advised the College to submit to the Board of Studies. Students Online is located on the Board of Studies website at [http://studentsonline.bos.nsw.edu.au](http://studentsonline.bos.nsw.edu.au)
- between 26th and 30th November 2012 those students leaving school to pursue vocational or other pathways will undertake online Board of Studies Literacy and Numeracy tests at school, the results of which will be included in their RoSA
- From 12th December 2012 all Year 10 students will be able to view their Year 10 results through Students Online
- On 14th December 2012 students who are leaving school will receive their RoSA from the Board of Studies.

Below is an excerpt from the Board of Studies website which provides background to the RoSA. For more detailed information, families are also encouraged to visit the Board’s website at [http://www.boardofstudies.nsw.edu.au/rosa/](http://www.boardofstudies.nsw.edu.au/rosa/)

Brenda Timp
Director of Learning
Excerpt from the Board of Studies Website
The RoSA is a new credential for NSW school students.

Previously, students who did not go on to receive their HSC used their School Certificate as a record of their secondary school achievements. However, the School Certificate was primarily a record of their performance at the end of Year 10. It did not give recognition for achievement if that student had continued on to complete courses in Year 11 or 12.

The RoSA records grades or participation in courses right up to the students leaving school, giving them a more comprehensive and meaningful record of their academic achievements. Those grades are allocated by teachers, and monitored by the Board, to ensure that students receive fair and consistent recognition for their work.

For those students who leave school prior to receiving their HSC, the RoSA will become the school credential they will use when applying for employment or further education or training. The RoSA testamur (the formal documentation provided to students who leave school before completing their HSC) is one part of the RoSA package available to students. Other RoSA components include:

- access for all students from Year 10 onwards to a transcript of all current grades through the Board’s Students Online website
- a record of all grades achieved in senior secondary school years for all students, including those who receive their HSC
- access to online literacy and numeracy tests for those students who leave school before receiving their HSC (online literacy and numeracy tests are being piloted in 2012)
- access to an online service allowing all students to consolidate a record of their extra-curricular achievements (this service is being piloted with a small number of schools in 2012).

News from the Finance Department
If you have not already returned the blue Family Registration Form for 2013, we would appreciate you doing so as soon as possible.

College Shop
The ladies in the College Shop would like to thank the volunteers who gave up their time on Saturday to help outfit the new year 7 students for next year. Without your help, the day could not have run smoothly.

Once again, a big thank you to Lyn Armstrong, Debra Barnard, Gill Bennett, Sharon Crossan, Di Deggens, Sandy Finn, Gen Funk, Fiona Grigg, Lisa Hogarth, Aniuska Matkowski, Kelly Oastler, Stacey Powell, Annette Stanton, Leah Stanton, Carol Stein, Maureen Thompson, Karen Walsh, Fiona Wright.

Narelle and Kim

Reading Challenges: how did we do?
In Year 7, 35 students completed the Premier’s Reading Challenge. Of these, 24 students also achieved an Outstanding St Leo’s Reading Challenge. Congratulations to these double certificate winners: Benjamin Adam, Sean Bentsen, Caitlin Cameron, Emma Carroll, Amy Carswell, Olivia Dahdah, Celeste Dixon, Molly Farrell, Mason Francis, Jessica Grego, Sophia Groundwater, Thomas Hickey, Matthew Ison, Hannah La Torraca, Joshua Lloyd, Rebecca McFadden, Sarah O’Shanessy, Yeari Park, Benjamin Rumpit, Andrew Samuel, Isaak Smith, James Smith, Samuel Spadek and Nicola Thompson. A further 63 students achieved a Highly Commended St Leo’s Reading Challenge certificate.
In Year 8, 19 students completed the Premier’s Reading Challenge. Of these, 14 also achieved an Outstanding St Leo’s Reading Challenge certificate. Congratulations to these students: Helena Dare, Rachel Hajje, Georgia Hopkins, Daniel Hose, Thomas Judge, Carmen Maatouk, Samantha O’Brien, Madelyn Scott, Nadya Shturman, Georgina Simpson, Ryan Taylor, Arthur Treloar, Zachary Triantafilis and Rebecca Wilson. A further 30 students gained a Highly Commended St Leo’s Reading Challenge certificate.

In Year 9, 12 students were awarded an Outstanding St Leo’s Reading Challenge certificate. Congratulations to: Christopher Aston, Nicholas Bentsen, Juliette Dahdah, Andrea Dingley, Hannah Hayes, Tanmay Kapani, Diana Masters, Cohen Murray, Emily Owens, Timothy Palmer, Amy Pannell and Isaac Rodda.

This has been a very strong reading year with Wide Reading classes thriving on their chance to read. Our top 30 borrowers in Years 7, 8 and 9 have taken out nearly 2000 books so far. In the library, students and I often have a conversation about what they are reading. Quite a few students say that their dad or mum had recommended the book in their hand. Seeing a parent read is one of the best ways to encourage your child’s reading habit.

Neryle Sheldon, Teacher Librarian

Student Work

My Special Place

My grandfather’s work shop, is my special place.  
To a novice it’s just a dusty space  
But to me, its much more than that,  
I have learnt many things while we’d chat  
Not learning how to use tools  
But how to avoid life’s fools.

His old radio plays a soothing tune,  
I know our time together must finish soon  
The tap of his hammer, the buzz of his saw  
His patience and wisdom, I want to know more!  
I feel so secure, content and serene,  
My Grandfathers garage is the best place I’ve been.

While I paint, he has a rest  
Each brush stroke I make, is quite a mess.  
My Grandfather laughs and pulls a face  
He says ‘Child, slowdown, it’s like life, not a race’  
He is so calm, so forgiving, so special to me  
I hope I can inherit this quality.

The sun shines through cobweb window panes,  
A loving look on his face still remains.  
His words warm my heart and soul  
Giving inspiration to achieve my goal.  
With rays of light caressing my face,  
Yes, oh yes, this is my special place.

Abbey Ward Year 10
Year 7 Chess Tournament is now on!
Participants should be coming to the library at recess and lunch every day to play against one another. This term, every player in the tournament will have to verse every other player once, and the player with the most games won will be crowned the winner.

ST. LEO’S CATHOLIC COLLEGE

2012 Chess Championship

Junior Chess Champion
Mitchell Trott, yr 8

Senior Chess Champion
Richard Anderson, yr 12

Junior Chess Runner-up
Joshua Reidy, yr 7

Senior Chess Runner-up
Alex Fletcher, yr 12

Social chess
All are welcome to come to the library and play friendly games of chess. There are plenty of keen players in years 7 to 12, who will love to verse you! Invite someone to a game of chess and head to the library for a chilled atmosphere.
Sport News

CRICKET FEVER

The First XI Open Cricket team are on a winning streak so far this season with two from two.

The boys recently defeated Normanhurst Boy’s High School in the Northern District Cup. The First XI scored 259 runs compared to Normanhurst Boy’s 54 runs in a 28 Over Match.

The boy’s are now in the third round of the Downie Trophy and the second round of the Northern District Cup.

The College would like to wish the boys the best of luck!

St Leo’s Talent in Water Polo Continues to Grow

St Leo's are lucky to have 15 very talented girls representing our school in water polo. After 4 games we are sitting in the top 4 as we are undefeated with 2 draws and 2 wins.

Our team consists of:

Samantha Morris  
Zoe Takala  
Sophia Groundwater  
Gabby Chan  
Angela Clarke  
Grace Carlon  
Kirsty Pennings  
Laura Goldsworthy  
Maegan Chin  
Sarah Mcintosh  
Meg Birrel  
Jemmima Moffat  
Isabella Roson  
Samantha O'brien  
Rebecca Ison

Round 1 saw the girls take on arch rival Woolwich where we fought out a 7-all draw. With Samantha Morris attacking goal with every chance she had netting 3 goals and Kirsty Pennings and Zoe Takala netting a goal each. With the solid display as always from Sarah Mcintosh in goals kept the game close throughout.

Round 2 saw the girls put up another good performance against St Pats having our second draw in straight weeks. Once again another strong performance from Samantha Morris up front and Sarah Mcintosh in goals saw the team come from behind to claim the 6-all draw.

Round 3 saw the girls claim their first win for the season against Catherine McCauley. With a few key players missing the younger girls really filled in nicely. Meg Birrel played extremely well netting 2 goals and With yet another strong performance from Sarah Mcintosh in goals saw the girls developed a great tactic. With Sarah aka "the cannon" stopping any shot on goal she would throw a cannon of a pass to Laura goldsworthy Who would be unmarked in front of goal and saw her net 5 goals for her efforts. The girls ended up claiming a convincing 12-7 win.
In our most recent game we met trinity college. Unsure of the team we were versing based on the up and down results from the opposition the girls went out strong. With Sophia Groundwater with her blistering speed in the pool scoring 2 goals and tormenting any player on the flanks. Samantha Morris notched up 5 goals in the first quarter refreshed after her week off. Sarah Mcintosh spent the first half in goals and it was in the second half where she unveiled her cannon of an arm to the opposition scoring an amazing 10 goals in 14 minutes of play. The girls kept Trinity scoreless until the last 20 seconds and the end score was 23-1.

On behalf of Tom Saunders and myself Scott Hogarth we would just like to say it is a pleasure to coach a great and talented group of girls.

Parent Network

A well deserved thank you …
St Leo’s hosted a thank you evening for all parents, families and community members who assist St Leo’s in delivering educational and charitable outcomes or assist (as their can) with college events … in many and varied ways. The thank you event was delightful. St Leo’s hospitality students graced guests with the rewards of their efforts – preparing and serving delicious canapés, mocktails and coffee and tea orders to please all tastes. On behalf of all who attended, we express much appreciation and gratitude to the college staff and students for their warm welcoming and professional hospitality.

Year 7 Family Evening - a great success!
The year 7 end of year celebration family dinner was a great success – it was well attended & an enjoyable evening was had by all!

Getting ready for year 7 2013 …
Thank you so much to the fantastic parents who assisted on the busy Year 7 Uniform fitting day and also with the Information Evening for our new year 7 parents.

Welcome morning tea for Year 7 2013 parents and carers
On the Wednesday 30th January 2013, the College will host a morning tea for parents & carers of our new students, to welcome them to the College as they drop off their child for their first day. Can you spare an hour or two to help with preparation, serving or clean up? Please email Marinela Mendes on mendes@bigpond.net.au

Soup Van helpers needed
On the fourth Tuesday of each month, St. Leo’s parents and Year 11 and 12 students prepare and serve hot meals to those without a home in the Hornsby area. We are currently preparing the roster for the December/January school holiday period, when we will take some extra shifts. Volunteers can choose to cook, serve or even drive the van. It’s a wonderful way to serve those in need and get to know your fellow St. Leo’s parents at the same time.
Please contact Connie Klimko cklimko@au1.ibm.com or phone 0407 603 877 if you are interested in volunteering.
Principal's Updates
The last Principal’s Update for 2012 was held on Wednesday 31st October. As always, it was a great forum for discussion – many thanks to all the speakers and especially our new St Leo’s student leaders.

This type of information sharing is something very special to St Leo’s and we are fortunate that this opportunity for informal interaction is available to us as parents.

Thank you also to all the parents & carers who have participated in the sessions over the course of the year.

Principal’s Updates will continue to be held once a term in 2013. If you have suggestions for topics of discussion please contact the college office or representatives of the Parent Network or email Marinela Mendes on mendes@bigpond.net.au. A warm welcome is extended to all parents and carers to attend. You are bound to leave knowing something or someone you didn't know before!

Looking ahead to next year
Parents and carers of all students are also invited to think about ways you could be involved with the College. We are always looking for more parents to become involved in one or more areas of the Parent network. There are many different ways.

We encourage you to complete this expression of interest form and look forward to your involvement.
Parent Partnership Opportunities
2013

St Leo’s Catholic College welcomes all to the Community (Parents, Grandparents, Caregivers, Families including past students and Friends). We value working in partnership with you and sharing opportunities to get to know you.

Please become more involved in college life by responding to periodic requests from a member of our college community and expressing your interest by ticking the boxes and circles alongside the partnership opportunities listed below.

- Supporting Educational Outcomes
  - Literacy
  - Numeracy
  - Exam reader / writers

- Spiritual Growth
  - The Dish – meals for the homeless
  - Fund raising for Social Justice Outreach program(s)
  - Volunteer your talents / skill / time

- Social Opportunities
  - Year / Class Parent Representative
  - Assist at college events
  - Administration support for Parent Network Connections

Please fill-in the details below so that a member of the college community may contact you about your area of interest. Also, please use block letters and include all your children at the college.
