Congratulations to the graduating class of 2014 on their excellent HSC results

Congratulations to our Year 12 students on their fine results in the 2014 HSC. I am extremely proud of the Class of 2014. They are a wonderful group of young men and women and they leave the College as confident, competent, Catholic young men and women of conscience.

This year’s results were very pleasing with a large number of students achieving at the highest possible level. Overall, more than 80% of students’ results were in the top three bands. This is a wonderful achievement for a comprehensive, non-selective diocesan secondary school.
