Our Theme - “The Joy of the Gospel - Putting our Faith into action”
Sunday 15 November, 2015 - The 33rd Sunday in Ordinary Time

“...But as for that day or hour, nobody knows it, neither the angels of heaven, nor the Son; no one but the Father…”
(Mk 13:24-32)

Dear Parents, Guardians, Care Givers, Grandparents and Students,

This Sunday’s Gospel by Mark, very much indicates how important our College (Gospel) value of Hope is in our lives today. The people of Mark’s time were expecting the return of Jesus and the end times to occur during their lifetimes. However the passage was written for them as an encouragement to not give up in the face of overwhelming odds. Obviously the end of the world did not occur. Today, as in Mark’s time, many people approach the future and change with fear and apprehension.

In education today there is much discussion of change. That is something we have been doing over x number of years – is it still valid and worthwhile? At St Leo’s I am proud to say that as a learning community we are not apprehensive of change but welcome and support well researched and thought out initiatives. Listening to our parents in other professions, and my own family relatives, a similar discussion is occurring in a range of occupations and businesses. With the impact of consumerism, the digital age and globalisation, it is safe to say it is an unsure future. But as our Prime Minister Malcolm Turnbull has declared himself an unabashed fan of change, making much in recent statements of fresh starts and embracing the unknowables of the future, so should we as a College.

Change can bring apprehension and in some cases fear. But it should also bring hope, a better outcome for all and a greater opportunity for putting our faith into action. Again we need to have faith – so that we are a people of hope – particularly in this day and age.

Year in Review
11.30am, The Light of Christ Centre
Last night I witnessed this hope in the faces of our Year 12 students at their formal at Curzon Hall. They are awaiting the results of their HSC, embarking on their future and taking their first few steps into the wider community. Their hope was expressed in their dealings, their interaction, and the positivity in their conversations with both staff and their peers. One even told me that he is taking a “gap” year (that in itself did not surprise me) but during that “gap” year he would be a missionary – going out trying to help others in a yet to be determined location.

They are a people of hope. Let us all strive to be a better people of hope!

Congratulations – Nominations for Both ArtExpress and ENCORE Showcases

Last Friday I received notification from the BOSTES (Board of Studies, Teaching and Educational Standards) that two of our Year 12 HSC students were nominated for ArtExpress (see Art Report). Also Casey Allan being nominated for ENCORE 2016.

These showcases are used to highlight the best works students across NSW have produced in their subjects. Last year we had two students works selected out of four that were nominated. We hope all four students will be in the final selections later this year. Three nominations from the one school is very highly regarded. (Based on last year – 9071 sat for Visual Arts – approx. 300 were nominated; Music 5767 undertook the subject only approx. 160 were nominated). This year will be similar figures. – approximately 3-5% are nominated.

The students are:
ENCORE – **Casey Allan** (4 Bass Guitar pieces)
ArtExpress – **Liam Tremaine** (Ephemeral) & **Carli Van Wyk** (Sawubona -I See You)
Congratulations not only to the students but also to their teachers – Ms Carson, Ms Coleman and Ms James, Ms Moran and Ms Axon – Visual Arts and for Music – Ms Williams and Ms Gauci.

In Visual Arts - over the past 11 years we have been nominated and/or selected 10 times!! 2012 was our only "quiet" year!

60th Year of Catholic Education at St Leo’s

Plans are well under way for our 60th year celebrations of Catholic Education in 2016. Over these 60 years we have seen not only established and built but more importantly educate tens of thousands of students in the catholic faith over the 60 years. There are many people and parishes who gave of themselves particularly in the early years of the College.

We are ensuring that we are including, present, past and future families and students, the Christian Brothers, our local parishes, particularly, Hornsby Cathedral Parish, Holy Name Wahroonga and St Patrick’s Asquith, formalizing a Past Students Association, past staff and our local community. All will have an opportunity to not only remember but also celebrate these 60 years.

I will include a early picture of an aspect of the life of the College in its early days in each of my future reports.

We will begin our celebrations with Bishop Peter A Comensoli who will be leading us in our Opening Mass in our 60th year on Tuesday 23rd February 2016 at 10am.

College Swimming Carnival – Friday 20 November

Next Friday will be will be our Annual College Swimming Carnival at Hornsby Aquatic Centre. The students have entered races online over the past two months and the Student House Leaders, under the watchful eye of Mr Trotz are doing a great job ensuring the day will run smoothly. A reminder that it is a compulsory day for all students. I am sure it will be a good day for all, catering for competitive swimmers but also our recreational swimmers.
Volunteers of St Leo’s College Mocktail Party Evening
Last week I sent an invitation to everyone who has volunteered during 2015 to join me for a Thank You Mocktail Evening on Wednesday 18th November from 5.30pm to 7.30pm in the new College Library.

This is our opportunity to say ‘Thank You’ for the amazing contribution you make every year to St Leo’s Catholic College. Whether you have assisted with mentoring, liturgies, BBQs, committees, uniform shop, working bees etc – please come along so that I can thank you personally for making our school a great place to learn. I hope to see you there.

Please RSVP to our Director of Partnerships – Mrs Louise Fentoullis on 9487 3555 or email louise.fentoullis@dbb.catholic.edu.au

St Leo’s Feast Day
Last Tuesday at our Academic Assembly we remembered Pope St Leo the Great. It is after this great saint that our College is named. We were led in prayer by our Student Leadership Team and highlights of his life were explained to the student body.

Given our Year 10 students are on exams and our Year 12 students are no longer with us – we remember and celebrate our Feast Day for St Leo later this term.

Year 11 Consecutive Gold/Silver Award Recipients
Last Tuesday we celebrated the Year 11 Award winners from their End of Preliminary Course – completed last Term.

I would like to congratulate these students in particular on receiving 20 consecutive Gold/Silver Principal’s Awards. Remembering that these are awarded based on their Personal Profiles in each of their 4 reports per year.

These students have displayed consistent values, attitudes and behaviour throughout their education here at St Leo’s. These students should feel very proud.

Danesh Colah, Ruby Ford, Jessica Funck, Timo Godbold, Brigitta Handayani, Daniel Hose, Alexandra Hurden, Carmen-Mary Maatouk, Thomas Mutch (since Yr 11), Charbel Saliba, Nadya Shturman, Kimberlee Street (since Year 11), Arthur Treloar, Nicholas Wilson, Rebecca Wilson and Layla Wreyford

Year 12 (2015) Formal
This was held last evening at Curzon Hall, Marsfield. It is an important event – to recognise and celebrate with maturity and wisdom the end of their secondary education. Being able to conduct oneself in social circumstances is just as important as “classroom education.” It was great to see our students back again – enjoying themselves after their HSC Exams.

Thank you to Mr Trainer and Mrs Sykes who co-ordinated this huge event.

Year 11 Academic Awards

On Tuesday 10th November the College held an Assembly to acknowledge the Year 11 Academic Award Winners based on their efforts and achievements in the Preliminary course. Students were presented with Principal’s Gold Awards and Academic Excellence Awards.

Principal’s Gold Awards are presented to students who demonstrated the highest level of effort and application in their studies in the Preliminary Course.

Academic Excellence Awards are presented to students who achieved either:
• a Gold Academic Achievement Award (1st place in a course); or
• at least three Academic Achievement Awards (Gold or Silver) – i.e. placed in the top 5% in three or more courses

All other Academic Achievement award winners will be presented with their certificates at a Year Meeting.

The award winners are listed below:

**Principal’s Gold Awards**

- Sydney Antonio
- Jessica Funk
- Alexandra Hurden

**Year in Review**
At the end of every year the College holds a Year in Review. The planning is already underway to make this a true celebration of the many wonderful things about St Leo’s and a great acknowledgment of students efforts and achievements throughout the year. The ceremony will occur at **11:30am on Friday 11th December in The Light of Christ Centre.** All students will be expected to attend, as it is a normal school day.

We wish to issue an invitation to family members of our students and friends of the College to this significant end of school year activity. Invitations to award winners will be sent prior to the event.

Academic Awards will be presented to students at a special Assembly at the start of 2016. This way we are able to acknowledge the academic achievements of the Class of 2015 at the same time.

Swimming Carnival
This Year's Swimming Carnival will occur on Friday 20\(^{th}\) November. This is an important whole school event. All students are expected to attend on the day. **If your son/daughter is absent on the day then the College would expect that a Doctor Certificate be provided on the day of return.** This is an important community event and I would ask all parents to support the College in ensuring that your son/daughter attends on the day. Included in the Sports Section of this edition of The Pride you will find a copy of the Letter sent to all parents/caregivers in regards to the Swimming Carnival.

Concern with Global Chat Apps
The Office of the Children's e Safety Commissioner has become aware of two Apps that are causing some concern in school communities. These Apps are Animal Jam and Subway Surfer. One of the main concerns with these Apps is that they contain an in-built global chat facility. This facility enables anyone in the world to make contact with users of the Apps. The potential for children to be exposed to phishing scams, grooming and cyberbullying is substantial. The Office of the Children's eSafety Commissioner maintains an excellent resource page that assists parents to better understand these Apps amongst a range of others. This resource may be accessed at [https://esafety.gov.au/esafety-information/games-apps-and-social-networking](https://esafety.gov.au/esafety-information/games-apps-and-social-networking).

Student Travel Passes and the new Opal Cards
The School Opal Card will replace most of the current student travel passes provided under the School Student Transport Scheme (SSTS). The eligibility for the SSTS will not change.

The existing student travel passes will still be in use for students travelling to and from school outside the area served by the Opal Card.

From 2\(^{nd}\) November 2015, a new online SSTS application process is being introduced for schools within the Opal network, coinciding with the introduction of the School Opal card. **Most parents, guardians and students won't need to apply for a School Opal card if they have already been given a school student travel pass for the current year. School Opal cards which are being automatically renewed will be sent to the College at the beginning of the new school year in 2016.**

School Opal cards applied for using the new online process will be sent to the student’s nominated address ready for Term one 2016. Students only need to apply for a new Opal Card if they:

- have not had a pass for travel before; or
- are moving from Year 6 to 7; or
- are changing schools; or
- if their personal details have changed (e.g. address)

To apply for a new School Opal card, parents can go directly to [www.transportnsw.info/school-students](http://www.transportnsw.info/school-students) or call 131 500. A fact sheet is attached at the end of The Pride.
**Cars in and around the College grounds**
The safety of students at the College is our highest priority. In order to ensure a safe environment for all students, staff and visitors to the College I would ask all parents to take careful note of the procedures outlined below.

Since the roadways through the College are thoroughfares for students moving to classes or entering or leaving the College grounds, vehicle access to the College is restricted to essential traffic (deliveries, staff parking, visitors during the day) only. **There is no access for parents along driveways to pick up or drop off their children. Students need to disembark from cars near the Unwin Road or Woolcott Avenue gateways. Parents are also asked not to park across gateways while students disembark.**

Please note there is no access through the school from Woolcott Avenue to Unwin Road.

Owing to the narrow roadways, cars delivering students to the top (Woolcott Avenue) area of the College should travel in a clockwise direction (40 km per hour maximum) continuing along Windarra Crescent to meet Woolcott Avenue at the gate near the College Library (not turning right into Woolcott Avenue at the first intersection). This is shown in the diagram below.

![Diagram of Woolcott Avenue and Windarra Crescent](image)

Often the College is quite congested at the end of the school day. I would encourage parents who are picking up their child to arrange a pick up point in Woolcott Avenue, Yardley Avenue or Unwin Road. This is a strategy that can save time and reduce congestion.

Parents are requested to drive with great caution around these streets, as there are many excited students around this time – from not just our own school – but also of the schools nearby.

These procedures have been put in place in the interests of your child’s safety, a higher concern than the minor inconveniences of, for example, students having to walk from the gates, and we ask you to respect and support them.

**Students Driving to School**
Any student who wishes to drive to school can only do so after they and their parents have read and agreed to the conditions set down by the College. These conditions are to ensure the safety of your child and other students. Students should see their Year Coordinator for the driving to school form.
Representative Sports Advisory Committee
Sport plays a significant role in the College’s holistic education of students. As part of the Strategic Plan, the College has been exploring options to further expand our representative sporting program. With this in mind the College invited parents and staff to nominate to be members of a Representative Sports Advisory Committee in Term 3 this year. The Terms of Reference for the Committee are included at the end of this newsletter and provide a clear outline of the purpose of the Committee.

The Committee has met a number of times and have already put a series of recommendations to the College that have been adopted including:

- Following a successful trial of the Peninsula Cup program this year, the College look to expand the number of teams entered into the weekly after school Peninsula Cup competition in 2016.
- The College continue to explore other weekly Representative Sporting competitions for 2017 and beyond.
- The College hold a Representative Sport Presentation Evening in Term 3 2016.

The Committee is working on identifying the vision for representative sports at the College and will continue to meet to discuss how best to meet this vision into the future.

The members of the committee are:

Australian Government Legislation on Passports
From 1 January, 2016, child applicants aged 16 or 17 will be issued with a 10 year passport instead of the five-year passport currently issued to children under 18.

Parental consent will still be required when persons aged 16 or 17 apply for a passport.

Applicants aged 16 and 17 will need to accompany their parent or a person with parental responsibility when lodging the passport application.

The application fee for 16 and 17 year olds will be the same as for adults, reflecting the longer validity of the passport to be issued.

More information is available on www.passports.gov.au.

Any questions can be directed to the Australian Passport Information Service (APIS) on 131 232.

Broken Bay Year Twelve Event 2015 (BBYTE)
Year 12 students from St Leo’s and Loreto Normanhurst gathered yesterday in The Light of Christ Centre for the annual Broken Bay Year Twelve Event. Bishop David initiated this gathering several years ago and this year our new Bishop Peter has continued the tradition. Rather than one large gathering of all the Year 12’s there have been four smaller celebrations of BBYTE around the Diocese. The theme of the day was ‘Life Giving Love’ and Bishop Peter spoke about friendship as the love that most clearly reveals our humanity – the choosing kind of love. Dynamic married couple David and Katie Kobler also attended and spoke about relationships and decision-making. The students then had options of two workshops to attend to further reflect and discuss on the themes presented. It was a challenging and thought-provoking day for all involved.

Upcoming Events for Youth Ministry
Street Retreat - Wednesday 19 November. Mr Gomez and Mrs Champ will accompany a group of ten Year 10 students through Martin Place, Woolloomooloo and Kings Cross to encounter homeless people and the Christian organisations who are supporting them. This will be the seventh and second last Street Retreat for the year.

Broken Bay Youth Night - Praise & Worship @ Manly on Friday 20 November. Free BBQ, Music, Games and Talk. All students welcome. We will be joining the Hornsby Parish Youth Group, meeting at OLOR at 5pm. $5 for the private bus that will take us to St Mary’s Manly. This is will be a great night of faith, fun and friendship. Permission notes available from Mr Gomez.

St Vincent de Paul Night Patrol – Friday 20 November. Ms El-Hage and Mr Spurtacz will be accompanying eight Year 12 students to the city for our monthly roster of Vinnie’s Van. They will take food and hot drinks to Ward Park and Martin Place in order to feed the homeless of our city. While the food and drink is important, even more so is the companionship we provide, the listening ear and the respect for the human dignity of those who have fallen between the cracks of our society.
**Australian Catholic Youth Festival** – December 2-6, Adelaide. St Leo’s will be flying a group of eighteen Year 10 and 11s to Adelaide for the second Australian Catholic Youth Festival. Over 2,000 young people from around Australia have already registered for this great event put on by the Australian Catholic Bishops as an Aussie version of a mini-World Youth Day. Tickets are booked and anticipation is building as we prepare for the Festival at the Adelaide Convention Centre, on the banks of the River Torrens. As well as large gathered events, here will be a variety of workshops including streams on leadership, prayer and social justice. Students will be accompanied by Mr Gomez, Mrs Hasman and Mrs Boguradzki.

On top of this we continue with our regular, weekly schedule of:

- **Mondays Periods 5 and 6**
  Small groups of Year 9 students spending time with people with disabilities at Catholic Care, Waitara.

- **Tuesday lunchtimes**
  Volunteers visit the elderly at Belvedere Aged Care facility

- **Wednesday lunchtime**
  Bible Study

- **Friday lunchtime**
  Mass in the College Chapel

For more information about any of these activities, please contact Mr Gómez – adrian.gomez@dbb.org.au

Study Skills
Top 10 Tips for parents to manage and communicate expectations about schoolwork and results.

Parents often have high expectations of their children in relation to how much homework they will do, and what results they will achieve in their studies. These expectations may result from cultural beliefs, personal experiences, desire for children to have better opportunities than their parents had and the like. Research shows that whilst parental expectations can play a significant part in children achieving high results, they can also contribute to high levels of student stress.

Some things to think about in relation to parental expectations include:

Understand your own motivations: Why do you want your child to do get particular marks in their studies? Is it because you have pressure from family/friends/society about what your child will achieve? Do you want them to follow in your career footsteps? Do you want them to have opportunities you never had as a child or young person? Understanding your own motivations will help you find balance in your expectations of your children.

Help your children to set realistic goals: Keep talking to your children about what they want to achieve, in individual subjects, at school overall and in other aspects of their life. Their career goals may mean they want to focus intensively on something like art or music, rather than mathematics or science. Helping them to identify their goals will enable them to determine what subjects they need to focus on and what marks they are likely to need, which means that effort can be concentrated on the areas which will help them to achieve their goals.

Be involved in your children's learning: Throughout the term talk to your children about what they are studying. Ask them to show you their bookwork and homework. The more you understand about what they are doing and how they are going along the way, the better you will be able to set and manage your expectations.

Make sure you really communicate what you expect: Many students feel like they are not meeting their parents’ expectations. Often this is a result of poor communication about expectations by both parties. Reflect on your motivations (see 1 above) and think about how you communicate your expectations to your children. Remember to praise them for the effort they make rather than the results they achieve, this way they are motivated to keep on trying, even when learning is difficult.

Develop an understanding of the school’s assessment and reporting structures: Assessment and reporting systems change over time and are different in different schools, states and countries. Making sure you really understand what your children's report means may help you to understand what they are actually achieving. Your school can explain these to you if need be. Sometimes students are excelling, but reporting structures don't clearly represent this to parents.
Remember nobody is perfect: Even the brightest, most highly motivated child will struggle at times. They may struggle to understand a particular topic or concept, or they may struggle with motivation, particularly for a subject they don't particularly enjoy. Problems with teachers or peers can also contribute. It is unrealistic that anyone can work with 100% effort all the time.

Provide practical homework and exam support: Provide practical help them to your children to enable them to access past papers or practice questions and work with them by things like proofreading and reviewing drafts, checking work and listening to speeches. Remember though, it is not your work, so don’t make changes, rather make suggestions and provide guidance.

Spend time together doing something fun: Make sure your relationship with your child is about more than homework and study. Allocate some time to do fun things together. This is the time in which your child is most likely to open up to you about the things that they are struggling with and you can work out how best to help them. Ideas include going for a walk or run together, registering for a team sport, having a dinner date or going to a gallery or museum.

Support your child to do their best: You can do this by providing healthy, nutrient rich food; opportunities for exercise, rest and relaxation and an environment which is supportive of and conducive to study.

Keep alert for the physical and mental signs of stress: Familiarise yourself with how your child responds to stress. Do they withdraw? Act out? Work harder or stop working? When you notice that your child is stressed provide them opportunities to discuss what is worrying them and work with them to identify how you can help them. You may wish to involve the school counsellor, a teacher or tutor at this point.

Congratulations to Year 12 Visual Arts students

The Visual Arts staff would like to congratulate Liam Tremaine and Carli van Wyk, who have been nominated for Art Express. This is a fantastic achievement for these students, who were nominated from over 9,200 students in NSW.

Liam’s work consisted of a series of abstracted photographic images of the Australian landscape. Carli explored the genre of street photography and documented people from all walks of life.

St Leo’s College Swimming Carnival

Dear Parents/Caregivers,
The annual College Swimming Carnival will take place on Friday, 20th November 2015 at Hornsby Aquatic Centre. Students will be required to make their own way to and from the venue.

The College Carnival will officially start at 9.00am and finish at approximately 2.30pm. Students will be required to assemble outside of the Hornsby Aquatic Centre in their Tutor Group lines no later then 8.30am for Roll Call. Another roll will be taken at the conclusion of the event.

Trains that will ensure students get to Hornsby Station before 8.30am are as follows:

<table>
<thead>
<tr>
<th>Departing Station</th>
<th>Time</th>
<th>Arriving Station</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Waitara</td>
<td>8.17am</td>

<td>8.20am</td>
</tr>
<tr>
<td>Wahroonga</td>
<td>8.14am</td>
<td>Hornsby</td>
<td>8.20am</td>
</tr>
<tr>
<td>Berowra</td>
<td>8.02am</td>
<td>Hornsby</td>
<td>8.15am</td>
</tr>
</tbody>
</table>

As indicated at the time of your child's enrolment, attendance on carnival days is compulsory. Students who are absent due to illness on the day will require a doctor's certificate or other documentation to be returned to their Year Leader upon their return to school. If your child is absent on the day please contact the College between 8.30am and 9.00am. If students do not arrive at the pool, the College will contact parents throughout the morning.

Students are expected to wear full sports uniform. In keeping with tradition Year 12 are permitted to wear fancy dress to support their house. This should be tasteful and non-offensive. Swimming apparel should be one-piece costumes for girls (Girls may wear board shorts over their swimmers). Boys are able to wear board shorts, speedos or skins.

There is a canteen at the pool complex, but students are advised it is best to bring their own lunch and water.

Students need to ensure that they do not bring electronic equipment such as iPods, iPads, or laptops to the event. These items will be taken for safe keeping by Mr Mahoney. Parents will need to make an appointment to arrange a suitable time to collect these items. Students should have all property clearly labelled with their name.

Novelty equipment/devices such as water pistols, noise-makers etc will also not be acceptable. These items will be confiscated and NOT returned, as they are banned items.

I would encourage parents to attend the carnival and support the school in what promises to be a highly enjoyable day.

The College Sport Website
The College Sport website opened in Term 1 to give parents and students a gateway to gain quick information on sport as well as acknowledge the achievements of some of our sporting people.

People are still not aware of it’s existence so when you get an opportunity take a look and keep up to date with information regarding sport.

The website is accessible via the College App or at www.SLCCSport.com

New Broken Bay Sport Website
The Broken Bay Secondary Sports Association (BBSSSA) have been working on a new website which is to reflect the NSWCCC website.

The website will give you all the necessary information regarding sport our College is involved in within the Diocese of Broken Bay. The website will provide a calendar of events, upcoming events, closing dates, registration, results, pathway information and much more.

Broken Bay is proud to present our new website:

Representative Sporting Advisory Committee Terms of Reference

Introduction
Catholic Schools in the Diocese of Broken Bay exist to educate and form young people in Catholic discipleship. St Leo’s Catholic College is committed to the formation of confident, competent Catholic young men and women of conscience.

The College aims to provide broad educational experiences that promote the spiritual, academic, social, cultural and physical growth of students in a Catholic environment. Students are provided with a range of high quality learning experiences both within and outside of the curriculum. Sport plays a significant role in the Colleges holistic education of students. The College has a proud representative sporting tradition for both boys and girls. A tradition based on sportsmanship, commitment and fair play.

Historical Context
The College was a member of the Metropolitan Catholic Colleges Sports Association (MCC) and the Metropolitan Combined Catholic Schools' Association (MCCS) until 2012. The MCC and MCCS provided inter-school Representative Sporting Competitions for boys and girls respectively on a Thursday afternoon. The College withdrew from the MCC and MCCS to in 2012 to become a full member of the Broken Bay Sporting Association. The reasons for his move were varied and included:

• the need to better cater for students not competing in representative Sports;
• the restrictions that MCC and MCCS competitions placed on the College Timetable;
• the fact that most of the schools in the MCC and MCCS were from the Southern Suburbs of Sydney, requiring significant travel time;
• the difficulty in fielding the number of teams required by the MCC and MCCS, particularly given that most of the teams in the MCC were all boys Colleges;
• a narrow range of sports catered for by the MCC and MCCS, particularly for the girls;
• the cost associated with the competitions.

Current Context
The College aims to provide a wide range of sporting opportunities for all students. In Years 7 -10 students participate each week in the Sport for Life program at the College designed to allow students to gain an appreciation of the benefits of physical activity.

Currently, there are two tiers that make up the College Representative Sporting program:

Tier 1 Representative Sport: provides competitive sporting opportunities for students to participate in organised sporting Gala Days throughout the school year against other Catholic Schools in the Broken Bay Diocese. These events are the pathways for students to represent the College at a regional, state and national level should they be selected through our pathway sports associations of Broken Bay Secondary Schools Sporting Association (BBSSSA), NSW Combined Catholic College (NSWCCC), NSW All-Schools and School Sport Australia.
Tier 2 Representative Sport: offers students the opportunity of competition in various sporting events hosted by a number of sporting organisations and local schools within the community.

As part of the Strategic Plan, the College has been exploring options to further expand our representative sporting program. With this in mind the College has established a Representative Sports Advisory Committee.

Terms of Reference
The committee will play a significant role in providing advice about practical ways to further improve the scope and quality of the representative sporting opportunities at the College. The ultimate objective of the committee is to develop, in an open and transparent manner, a series of recommendations to the College Principal about future directions that:

• take into account the needs of students now and into the future;
• provide quality opportunities for students to be involved in representative sport;
• promotes student achievement, effort and sportsmanship in sporting endeavours;
• ensures sustainability and affordability.
Transport for NSW

Fact sheet: The School Opal card

Who’s eligible?
To be eligible for a School Opal card, students need to be NSW residents and may need to live a minimum distance away from their school:
• Years K-2 (Infants) there’s no minimum distance.
• Years 3-6 (Primary) 1.6km straight line distance or 2.3km walking or further.
• Years 7-12 (Secondary) 2.0km straight line distance or 2.9km walking or further.

Students completing secondary studies at TAFE, boarding school students and students temporarily in Australia may also be eligible for a School Opal card. The eligibility criteria for these students is available at transportnsw.info/school-students.

A School Opal card is provided to eligible students who need to travel within the Opal network. Paper travel passes are issued to eligible students who need to travel outside the Opal network.

Who needs to apply?
Most students or parents won’t need to apply for the School Opal card. The School Opal card will be sent to a student’s school automatically at the beginning of the new school year in 2016. However, a new application is required if:
• The student is just starting school or has not had a pass for travel before.
• The student is progressing from Year 2 to 3, or Year 6 to 7.
• The student is changing schools, including going between primary and secondary school.
• The student’s personal details have changed (e.g. address).

Applications must be made by a parent or guardian for children aged 15 years and under. Applications must be made by the student if aged 16 years or older.

How to apply
Step 1 Complete the application at transportnsw.info/school-students.
Step 2 Print, sign and submit the form to the school for endorsement.
Step 3 The school will then forward the application to Transport for NSW for processing.

Once approved, Transport for NSW sends the School Opal card to the home address given in the application.

The application may take several weeks and the applicant’s email address is required.

If the student doesn’t qualify for free travel
They may be eligible for a Term Bus Pass which offers travel on buses between home and school at a discounted rate for the whole school term.
Apply at transportnsw.info/school-students.
