Our Theme - “The Joy of the Gospel - Putting our Faith in to action”

Sunday 7 February, 2016 – Second Sunday of Lent –
“...As Jesus prayed, the aspect of his face was changed, and his clothing became brilliant as lightning...” (Lk 9:28-36)

Dear Parents, Guardians, Care Givers, Grandparents and Students,
Tomorrow, Tuesday 23 February, we have our 60th Anniversary Opening School Mass for the 2016 academic year. Bishop Peter Comensoli will lead us in the Eucharist. I hope many parents, past students and friends can join us in celebrating our past, present and future achievements. We will be launching our 2016 School Improvement Plan. This is based on our Strategic Plan that resulted from the successful College Review conducted in Term IV last year. We will also be launching our 60th Anniversary Calendar of Events, enabling present and future community members to be involved in our celebrations.

At last week’s Academic Assembly we welcomed back our HSC High Achievers and Years 7 to 10 Academic Award winners. During my speech I highlighted 5 past students of the College and their achievements:

Religion & Faith - Fr David Orr – a past student who became a Benedictine Monk and is well known for his work in the Catholic Church.

Leadership & Defence - Major General Gerard Fogarty AM
He served as Australia’s national commander on operations in Timor Leste in 2002 and in the Middle East in 2007. He was appointed a member in the Order of Australia in 2004 for his distinguished command of the Australian contingent in Timor Leste and advanced to an Officer in the Order in 2013 for his distinguished command in the Middle East and his contributions to Defence in strategic personnel appointments.
Politics – Mr Luke Foley – Currently Leader of the NSW Labour Party and present State Opposition Leader

Writing - Mrs Mary Anne O’Connor - accomplished author, current parent, her latest novel – “Gallipoli Street” – about Australia’s brave diggers in WW1.

Sport – Mr John Farrow – represented Australia in the Winter Olympics in Vancouver 2010 in the sport of skeleton racing.

I explained that each of these experts and leaders in their chosen field were, in the past, students, just like them, and have gone on to achieve great success.

Our College Dux (ATAR of 98.3) – Mr Sam Batchelor spoke to our students and highlighted 4 points that gave him success in the HSC:

- Stay on top of your work – don’t procrastinate – start your work early!
- Use your teachers – listen and act on the feedback from the teachers and ask lots of questions.
- The value of doing past papers – so you get the practice of applying (not just memorizing) knowledge to new situations
- Know your syllabus. Go to the BOS website – download it. It is great revision.

Great advice for all our students in Years 7 to 12. Probably nothing new – but very worthwhile coming from a student!

“...I’ll leave you all with a quote that I found at the start of Year 11; “To excel in senior studies, it is like flinging a rubber band as far as possible - if you stretch the rubber band too much, you will break it and you will get nowhere. If you don't stretch it enough, you won't get far at all…”

Congratulations
Mrs Jamila Torpy was officially conferred and blessed by Bishop Peter at the Diocesan Schools Mass held in The Light of Christ Centre last Thursday evening.

Sam Harmon (Year 10 student) who will play the role of male protagonist, Troy, in our upcoming musical – “Disney’s High School Musical” has successfully auditioned for the Sydney Youth Musical Theatre (at Hornsby RSL in July) and secured a role as one of the characters in “Legally Blonde”. Sam was involved in their recent production of Peter Pan, as one of The Lost Boys and as a member of the ensemble. We hope he doesn’t “break a leg” before any of the upcoming two productions!

60th Year of Catholic Education at St Leo’s - 2016
We are delighted that Br Stan Cusack, featured here, will be concelebrating at our 60th Anniversary Mass. Br Cusack joined St Leo’s in 1969 as a counsellor and teacher. Between 1970-74 he was Deputy Principal of the College and in his final year was awarded a Masters of Advanced Education. He has remained a good friend and supporter of the College and we look forward to welcoming him here tomorrow.
Parents (and friends) Putting their Faith Into Action - “The Dish”
Most of you would be aware that our parents and friends of the College run their own local “vinnies van” at least once a month for those in need in our local area. Prior to us coming on board, the much needed service did not operate over the school and Christmas holidays.

In truth – where there is a need – there is a way (St Mary MacKillop quote)

Our group of parents volunteered to take extra shifts so there would be continuity over the holidays.

Below is an excerpt from the most recent evening report:
“...We had 14 friends join us and they were soon tucking in to a wonderful mixed entree of corn chips, dips, carrot and celery sticks and peanuts. It made for a very relaxed and casual atmosphere with our friends talking among themselves while enjoying the entree.

Next up, there was a choice of a delicious cottage pie, courtesy of Jacqui Farrow, a lovely past bake provided by Tatiana Hanrahan and a tasty butter chicken supplied and served by Tracy Irving. Our servers did a great job of ensuring small enough portions to allow everyone to have their selection before second helpings, and the food was quickly devoured. Not much was left for take-away containers and not a scrap of food went to begging.

The meals were complimented by buttered bread rolls, collected from Baker's Delight and delivered to the shift along with milk by Sharon Smith. Thank you also to Deborah DeVoss for supplying the cans of lemonade, which were very welcome on the warm evening...”

It is most important that the chiefs of the “squad” are kept up to date with your most recent email address. If you have changed your address in the past 6 months - please provide your updated email address, so you will receive updated shift rosters: (leosparentnet@v7mail.com).

Many thanks for all your time, role modelling and the delicious food you provide for our guests.

Invitation – Principal’s Update and Supporting Parents with the Transition into Secondary School – Wednesday 2nd March at 7pm – College Library
On Wednesday 2nd March I will be presenting the first Principal’s Update for 2016. After that you have the opportunity to leave or stay and a workshop will be conducted on assisting our new Year 7 parents making the transition to secondary school.

Last year I ran this evening for the first time. A quote from 2015 wrap up on the evening –
“...I then handed over to 6 recent “Year 13” students who were able to talk to small groups of parents about their life at St Leo’s, the ups and downs and what worked for them – particularly the role of their parents in their secondary education. It was a great evening and I was absolutely “blown away” by the comments on the online evaluation survey. These parents were still talking with these past students at 9.15pm. I am sure that the outcomes of their children will be strengthened as a result of this evening’s workshop....”
The format of the evening is as follows:

**7pm – 7.30pm** – Wine and Cheese

**7.30pm-7.45pm** – Principal’s Update
- Analysis of 2015 HC Results
- Around the College in 2016 (including a building update)

**7.45pm – 7.50pm** - Questions from floor

**7.50pm – 8.50pm** - Workshop - Supporting Parents with the Transition into Secondary School

I hope to see many of you there - if you wish to attend – please [click here](#) to register.

---

**SAVE THE DATE – ST LEO’S 60TH ANNIVERSARY DINNER DANCE**

Date: 18th June 2016  
Time: 6:45pm  
Place: Hornsby RSL  
Dress: Guys, collared shirt, no jeans,  
Ladies, a little bit fancy!  
Band: 8 Piece Band/great sound/great dancing!  

Detailed information to following shortly.

---

**Mr AF Gleeson**  
Principal  

“...Be eager in your desires but humbly patient in their accomplishment...”  
*St Mary of the Cross Mackillop (28/11/1898)*
From the Assistant Principal

Ash Wednesday marked the commencement of Lent. This is an important time for reflection and renewal for all of us. Pope Francis has called on us to place special emphasis on the spiritual and corporal works of mercy this Lent, taking into account the current Jubilee Year of Mercy.

Pope Francis wrote in a short document, released by the Vatican “God’s mercy transforms human hearts; it enables us, through the experience of a faithful love, to become merciful in turn,”

The spiritual and corporal works of mercy, the Pope said, “remind us that faith finds expression in concrete everyday actions meant to help our neighbours in body and spirit: by feeding, visiting, comforting and instructing them.”

This ties in with last year’s Lenten message, reminding us that fasting must never become superficial. Pope Francis often quotes the early Christian mystic John Chrysostom who said: “No act of virtue can be great if it is not followed by advantage for others. So, no matter how much time you spend fasting, no matter how much you sleep on a hard floor and eat ashes and sigh continually, if you do no good to others, you do nothing great.”

Pope Francis is calling us to consider carefully the importance of not just being faithful to the traditions of Lent, but also to make sure that Lent is a time where we put our faith into action.

Supporting Project Compassion provides us with a focus for putting our faith into action.

*The theme for Project Compassion 2016 is “Learning more, creating change”. As Pope Francis says, “Education is an act of hope”, so this year Project Compassion celebrates the power of learning, and the many ways in which Caritas Australia is working with local partners around the world to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice. (Caritas Website)*

Each week the College Prefects are collecting money to support Project Compassion. They have set an ambitious fundraising target of $10,000. I would encourage each family to support this very worthy cause so that we can provide assistance to those most in need.
Academic Awards Ceremony
Last Tuesday 22nd February we were able to acknowledge and celebrate student academic achievements and efforts over areas. Refer to page 14 onward in this edition of the Pride for the list of award winners – all of whom serve as role models of what can be achieved with determination and hard work.

Working Bee
In the past 26 years, Australians have devoted more than 30 million hours towards the environment through Clean Up Australia Day and collected over 302 583 tonnes of rubbish. The College will again be supporting this very important event cleaning up our local school environment on Thursday 3rd March.

We will also be holding a Working Bee at the College this Sunday 28th February from 10am – 1pm (see Flyer below). We would love to have as many volunteers as possible to help beautify our College grounds.

I would encourage all parents to use this as an opportunity to talk to your son/daughter about the importance of caring for our environment.
Study Skills Workshops by Elevate Education at Leo’s

On the Wednesday Morning, 17th February, all Year 11 students had the opportunity to engage in a program called “Study Sensei” by Elevate Education. The program focused on:

1. study techniques
2. prioritising and organizing
3. tips on answering exam questions
4. time management.

The feedback from the Year 11 student body about the program was very positive.

In addition, on the Friday Morning, 12th February, all Year 12 students had the opportunity to engage in a program called “Time Management” by Elevate Education. The program focused and discussed four time management techniques:

1. Using a study timetable.
2. Prioritising “big rock” activities.
3. Saving time through study groups.
4. Overcoming Procrastination.

The feedback from the Year 12 students on the 1 hour program was “relevant, beneficial, informative, valuable and helpful.”

In addition, all students in Years 11 & 12 gain access to the Elevate Education support website through a unique username and password following their Elevate session. www.elevateeducation.com contains a range of resources students can access after the seminar. These include:

1. A copy of Elevate's best selling guide, Science of Student Success written by the company's founder, Doug Barton. The book retails in bookstores for $20 but is FREE for Elevate clients. It is available to download in PDF mode under the tab 'Books.'
2. A range of practice papers for each subject.
3. Video tutorials.
4. Tips from presenters all around Australia who have recently aced and faced their final years of high school.
5. Question forum that allows students to have support even after their Elevate session

To access the online website students can use the following username and password:

1. Go to elevateeducation.com
2. Enter username STUDENT

Type in password pacco

For further information or queries, please refer them to Angelo Solomonides, the Leader of Senior Academic Care at angelo.solomonides@dbb.catholic.edu.au
Kiribati 2016
The Kiribati Immersion is scheduled for July this year and we are beginning our fundraising efforts with a regular car wash for Staff run by the students who are going to Kiribati this year.

Our first car wash was the 16th of February where the 2015 Kiribati group handed over the buckets, sponges and advice for the 2016 travellers. It was lovely to see the two groups come together sharing stories and answering questions.

Year 7 Welcome BBQ
The Year 7 welcome BBQ was held on Friday the 5th of February. It was great to see so many new Year 7 students and their families come together for a BBQ, conversation and lots of fun.

The students (and Mr Mahoney) enjoyed the jumping castle and everyone enjoyed a Sausage Sizzle for dinner as we shared stories of a busy few weeks of Term 1. The presence of the Tutor Teachers along with Miss Watts, Mr Gleeson and Mr Mahoney made for an enjoyable evening.

Thank you to the fabulous year 8 parent volunteers who cooked the BBQ and prepared the bread and fruit for all to enjoy and then helped with the clean up. A big thank you to Mr Nick Ferrara (College Board Member) for overseeing the organisation of the event again this year.

Ms Jamie Stimson
Leader of Communication and Partnerships

Text Books
A number of text books have not been returned to book supply. Can parents please ask their child to check if they have any texts that need to be returned, some students’ books have been accidently swapped.

Thank you
Ellen Shanahan
Book Supply coordinator
Music News

It has been a great start to the year for St Leo’s College Music Department. All ensemble rehearsals have begun and the private music tuition program has started.

Ensemble News

Firstly, a quick recap of the end of 2015. At the end of term 4, special guest Dr Martin Hardy came to the College for a workshop with Symphonic Band. Dr Hardy is a highly regarded conductor with experience in both orchestral and wind band ensembles. During the two hour workshop he focused on performance technique and paying close attention to the details of the score. It was a brilliant opportunity for the students to gain another perspective of ensemble music learning. This prepared the Symphonic Band for their wonderful performance at the Year in Review.

Looking forward into 2016, the ensembles program at the College is growing in numbers. Current ensembles rehearsing are:

**Concert Band** - Tuesday 7:30am to 8:25am (Mr Ben Dickson, Ms Williams, Mrs Gauci)
**Symphonic Band** - Wednesday & Fridays 7:30am to 8:25am (Ms Lemin Luu)
**Jazz Band** - Wednesday Homeroom/Recess (Ms Williams)
**Stage Band** - Thursday 7:30am to 8:25am (Ms Ellen Kirkwood)
**Bel Canto** - Thursday 7:30am to 8:25am (Mrs Gauci)
**Max 12** - Friday Homeroom/Recess (Mrs Gauci)
**Four Seasons** - Friday Homeroom/Recess (Mr Ben Dickson, Mrs Gauci)

All year 7 woodwind, brass and percussion players are invited to attend **Concert Band** on Tuesday mornings.

All year 7 vocalists are invited to attend **Bel Canto** on Thursday mornings.

Congratulations to the Symphonic Band and Max 12 for their recent performance at the Academic Awards Ceremony. A great way to start the year with high performance standards.

The College provides students with the opportunity to learn an instrument during school hours through our private music tuition program. If you are interested in these lessons please pick up a form from the Music Centre. Lessons for guitar (bass, acoustic, electric), vocal, drums/percussion, brass, woodwind and piano are available. It’s not too late to start lessons for this term.
Student Accident Insurance

The Catholic Schools Office, Diocese of Broken Bay has a standard SchoolCare Policy which covers students 7 days / week during school approved activities. This policy does not cover medical treatment expenses (i.e. doctor appointments, surgery costs or any other Medicare related expenses). The policy does allow for ambulance fees, medications, rehabilitation costs (i.e. physiotherapy), tuition fees and other non-Medicare related expenses.

*Please note: All schools also have Ambulance Cover which ensures free transport for students from school (or school approved activity i.e. excursion) to hospital by ambulance in the event of student injury or illness.*

Around the Grounds - St Leo’s Sport
A busy sporting start to the year. Our Sport for Life Program is up and running and is now held on Thursday and Friday. This will continue throughout the year with a variety of sports being participated in by St Leo’s students.

Sport for Life Program
Thursday
- Period 3 & 4 (Year 8 Sport)
- Period 5 & 6 (Year 10 Sport)
Friday
- Period 3 & 4 (Year 7 Sport)
- Period 5 & 6 (Year 9 Sport)

Year 7
Over the first two weeks of the year, the Year 7 students have been involved in the St Leo’s version of the Amazing Race, which led them on a journey around the College, while undertaking challenges ranging from fitness to teamwork. Last week students were involved in Aerobics trials.

St Leo’s has a strong tradition in Aerobics competition with a number of teams competing at State and National level with fantastic results. Our Aerobics high performance program is run by external coaches who are also ex-students of the College and have the athletes training hard before school on almost every day for particular teams. It was great to see the high level of performances from our new Year 7 students.

Over the next few weeks students will be travelling to Barker Aquatic Centre to undertake swim testing which is compulsory for the Year 7 camp later in the term.

Year 8 – 10
The first two weeks of sport for the senior year groups of the College have been spent undertaking Accelerated Sports Program (ASP) trials. These trials are used to select a small group of students from each house group to participate in a more competitive sport environment during the Semester. The first week of trials involved all students undertaking the multi-stage fitness test. A number of students achieved amazing results when compared to national standards show that our students are achieving above and beyond expectations. The list of students below is just a snapshot of the results.

Year 8
Aiden Brophy, Nathan Cosgrove, Anthony Domtchenko, Jackson Do-Rozario, Nathan James, Mitchell Macdonald, Hannah McFadyen, Hayley Manktelow, Larsson Miletic, Jessica Mund, Samuel Park, Tyla Petrie and Georgie Waite

Year 9
George Medojevic, Natasha Nichols, Georgia Peregrina, Patrick Robinson, Jo Stevens and Jacob Stewart
Year 10
Tomas Bonato, Jeremy Browne, Caleb Cull, Thomas Farrow, Tyger Fitzpatrick, Lyndon Frykberg, Ashley Funk, Marcus Grant, Samuel Harmon, Courtney Hickman, Cody Jervis, Paul Khamis, Joshua McLeod, Riley Matthews, Daniel Mitchell, Lauren Mund, Sean Ponnampalam, Ryan Stack, Amy Supple, Alex Tsoa-Lee, Chelsea Tullia and Rowan Wood

Congratulations to all students in their Beep Test and to those listed above who achieved ‘Above Average’ in the comparison to National Standards.

Representative Sport
Broken Bay Touch Football
The representative sport program kicked off last Wednesday with the first of many Broken Bay Gala Days. Our Open Boys and Girls Touch Football teams headed down to Nolan’s Reserve in Manly. Both teams played well throughout the day with the Open Boys finishing 3rd overall and the Open Girls, after drawing a difficult pool, playing well against some of the strongest girls in the Diocese.

This gala day also doubled as a selection trial for the Broken Bay team that travels to the NSWCCC Championships. We had many players selected in the possible v probable matches at the end of the tournament. From this 2 St Leo’s students (1 male, 1 female) were selected for this side, with another being selected as a shadow player. Well-done Keeley Bowen, Georgia Simmonds and Lachlan Henrisson.

A big thank you to the coaches - Mr Nathan Smith, Miss Portia Beattie, and Miss Meg Fletcher who looked after these sides on the day, and the Head Touch Coach, Mr Andrew Privett for organising the sides prior to the competition.

Open Boys Team
John Anderson, Alec Arnold, Lance Bautista, Keeley Bowen, Lachlan Henrisson, Lachlan Cosgrove, Max Dakic, Jordan Penny, Jake Seiler and Matthew Stein.

Open Girls Team
Madeleine Bonato, Gabriella Chan, Sarah Dever, Maree Habkouk, Alison O’Donohue, Elouise Princi, Georgia Simmonds, Hope Stewart, Lanii Strong, Sophie Thompson

Barker Touch
Over the last few weeks we have had two teams competing in the prestigious Barker Girls Touch Competition. These two teams are our Senior Girls and Intermediate Girls, and while playing against tough opposition, our girls have had some great results. After three games, the Inters girls have 2 wins and 1 loss, and the Seniors 3 very close losses. The girls have two more weeks of competition games before the semi-finals begin.

Draw
Friday 19th Feb
- Inters Girls vs. MSB 3 at 4:30pm
- Senior Girls vs. Barker 1 at 5:30pm

Friday 26th Feb
- Inters Girls vs. Barker 8 at 6:30pm
- Senior Girls vs. Loreto 1 at 5:30pm.
I wish the girls luck for the next two weeks and it would be great to see St Leo’s students up at Rosewood fields at Barker cheering the teams on. Thanks to Miss Portia Beattie for organising and coaching the girls in the competition again this year.

Upcoming Gala Days
The Open Boys and Girls Basketball teams will shortly compete at a Gala Day at Terrigal. Both these teams have been sweating it out on the courts every Thursday afternoon under the watchful eye of Mr Louie Tiglao, Mrs Jamie Stimson, and Mrs Melanie Maisie. We await the news of success from these two teams, as St Leo’s has a strong tradition in Basketball competitions. Good Luck to both sides.

Along with the Broken Bay Basketball Gala Day, the U/13 & U/15 Touch Football teams will be heading down to Manly for their annual Gala day. For the Under 15 teams this is also a selection carnival for the NSWCCC championships. The College wishes both of these teams the best of luck, the level of skill displayed by the students during trials was fantastic and shows that the College has a strong future in touch football.

Two students in Year 7 - Daniel Hoare and Deven Flanagan may create history at the College and be the first to compete in the NSW All Schools Triathlon in early March. Both of the students have been training hard and competing in triathlons for a number of years and the College wishes them luck in the competition. We look forward to hearing their results.

Trials and Trainings
Next week there will be a number of Trials and Training Sessions held at St Leo’s. It is important for students to be at team trials to give themselves the best opportunity to be selected in representative sports.

Tuesday 23rd February (Morning) – U/13 & U/15 Touch Football
Wednesday 24th February (Morning) – Open Boys Soccer
Thursday 25th February (Morning) – Open Girls Soccer
Friday 26th February (Morning) - Cross Country Trials

For more information on any of the upcoming competitions, or to find out more information about a particular sport, or to inform the College about recent sporting performances outside the College please don’t hesitate to contact me on michael.kember@dbb.catholic.edu.au

Michael Kember
Leader of Sport
2015 Academic Awards Ceremony

Congratulations to the following past and present students who were presented with awards at last Tuesday’s Ceremony.

Class of 2015 HSC High Achievers
Sam Batchelor
Nicholas Claasz
Andrew Cleave
Phoebe Cook
Lucy Crothers
Nicole Deggens
Monica Gonzalez
Hannah Hayes
Oliver Hing
Oliver Horne
Bianca Italiano
Danny Jong
Tanmay Kapani
Nathan Khoudair
Grayson Kieran
Joshua Millen
Luc Modde
Timothy Palmer
Andrew Placko
Adair Sheppard
Callum Southgate
Kai Stevens
Rea Tejwani
Nicholas Wood
Peter Zeaiter

Class of 2015 Special Award Winners
First Place in Course in the Diocese of Broken Bay

Hospitality (Food and Beverage) – Hannah Haldenby
Biology – Oliver Horne
Engineering Studies – Andrew Placko
Community and Family Studies – Candice Taouk
Mathematics Extension 2 – Nicholas Wood
Economics – Sam Batchelor
Legal Studies – Sam Batchelor
Physics – Sam Batchelor
Studies of Religion 1 – Sam Batchelor

Nomination for ArtExpress (an annual exhibition featuring the best HSC artwork in NSW)
Liam Tremaine
Carli van Wyk
Nomination for the BOSTES Encore Music Showcase (an annual showcase of the best performances across NSW)
Casey Allan

College Dux
Sam Batchelor

Gold Principal’s Award Winners

Year 7, 2015
Sophie Batchelor
John Cosgrove
Marina Grout
Annabelle Hanlon
Cameron Hose
Rebecca Khamis
Nicholas Khuu
Cassidy Martin
Sophie McKern
Ellen Rawsthorne
Annabel Richardson
Xavier Smith
