Our Theme - “The Joy of the Gospel-Putting our Faith in to action”

25th Sunday in Ordinary Time –
“...The Son of Man will be delivered into the hands of humanity ... All who wish to be first must make themselves the servants of all…” (Mk 9:30-37)

Dear Parents, Guardians, Care Givers, Grandparents and Students,

As a Christian community here at St Leo’s, we take the gospel stories as the foundation and impetus for our lives. The College values come from our gospels; Dignity, Respect, Justice, Integrity and Hope. As our Year 12 students depart our community I trust these five “College Values” will live in their hearts.

The message from this Sunday’s Gospel “Anyone who welcomes one of these little ones in my name, welcomes me” should be carried by our Year 12 students into their tertiary education or workplace. It will guide them to reach out to those who are marginalized or excluded from society’s mainstream.

Our guest speaker for our Year 12 Graduation was Dr Andrew McDonald. Dr McDonald is a graduate of the Class of 1973. He holds a Bachelor of Medicine and Bachelor of Surgery (Hons), is a Fellow of the Royal Australasian College of Physicians, a Fellow of the Royal College of Physicians of Glasgow, and a Fellow of the Royal College of Paediatrics and Child Health. Dr McDonald continued his successful practice as a paediatrician part-time after he was elected to the NSW Upper House in 2007 as the member for Macquarie Fields. Well regarded across both sides of the House, he spent several years as the Shadow Minister for Health. He decided to retire as a Member of Parliament last year and has continued his practice as a paediatrician.
Dr McDonald spoke of his very favourable time at St Leo’s and how the College was instrumental in forging a strong and keen sense of social justice. In his work as both a leader (State Member of Parliament) as well as in his profession as a paediatrician, Dr McDonald explained his passion to assist others that are less fortunate. He encouraged all Year 12 students to go forth and make a positive difference in the world.

On behalf of our College community I wish all our Year 12 students the best for their upcoming HSC Exams and their futures.

**Congratulations to our Major Year 12 Prize winners**

**Arthur ‘Choppy’ Collins Award for respecting the Rules of Sport**
Daniel Cronin

**The Award for Year 12 Sportswoman of the Year**

Monica Gonzalez

Dux of the College
Awarded to the student who has achieved the highest ATAR. To be conferred in 2016.
The morning of Graduation the College hosted a cooked breakfast; thank you to our Year 11 Hospitality students. This was followed by a Graduation and Handover of Leadership Ceremony in The Light of Christ Centre where we welcomed our new Student Leadership team for 2015/16.

In the evening we were able to celebrate the Eucharist. Fathers Robert Borg, David Ranson, Nathan, Anselam, Thomas and Deacon Roberto led us in celebration at the Mass. Our magnificent musicians and choir led us in song! We were then treated to a magnificent supper before moving into the larger auditorium.

In all the day was a very fitting way to farewell our Year 12 students and their families.

I would like to congratulate our new Student Leadership Team for 2016 who were “badged” by their 2015 counterparts during the afternoon liturgy:

Parents’ Network Meeting – Monday 12 October – 7 for 7.30pm
I am delighted to invite you to attend our next Parent Information Evening on Monday 12 October at 7pm in the new College Library (underneath the old Library).

At this evening there will be presentations on:
• The Regional Outback Experience to Broken Hill
• The International Immersion Experience to Kiribati
• Future immersion opportunities for the College
Staff and students will be presenting.

The schedule for the evening is:
• 7pm Wine and Cheese
• 7.30pm Principal’s Update: Building Works, Naplan Results
• 8pm Presentations: Immersion Experiences, Future Immersion Opportunities
• 8.45pm Conclusion

Please rsvp using the following link: http://goo.gl/forms/qgK7Na0Cjo or email Jayne Persico in my office at: jayne.persico@dbb.catholic.edu.au

Save the date - Friday 16th October 2015

BYO Picnic and Drinks at St Leo’s annual Movie under the Stars. Bring a Blanket and enjoy a Movie under the Stars with your family and friends.
ENTRY IS FREE!
When: Friday 16th October
Time: Gates open at 5.45 with the movie starting at 7.45pm
Place: The Oval, The Light of Christ Centre (inside if it rains), Unwin Road, Wahroonga 2076
Parking: Entry via Unwin Rd or Yardley Ave (Basketball Courts)

Mr AF Gleeson
Principal

“...Have courage, no matter what your crosses are...”
St Mary of the Cross Mackillop (7/5/1890)
Assistant Principal

Year 12
The College community celebrated the Class of 2015 Graduation on Wednesday in great style. It was wonderful to see the way students in younger years celebrated this milestone with Year 12 in such great spirit. Students in Year 12 now turn their full attention to the HSC examinations as they “run the last three steps”. Each family has been invited to particularly pray for one of our Year 12 students as they prepare for these important examinations.

Year 11
Year 11 have now completed their End of Preliminary Course examinations. When they return next term they will be the new student leaders at the College. They will be charged with ensuring that, like the Class of 2015, they leave the College a better place when they graduate.

Mental Health and Well-Being
During Week 9 of this term the College Student Leadership Team organised a number of events to promote community understanding and awareness of mental health and well being issues. The students organised an Assembly focused on Mental Health and Well Being, a multi-day promoting R U OK Day, Tutor Group activities focused on anti-bullying and lunchtime activities.

Students raised over $600 which will be donated to CatholicCare’s Mental Health Programs, which provide Assistance to those suffering with Mental Health and Illness.

This was a very successful week and a powerful example of what students can achieve. I would like to thank the entire Year 12 Student Leadership Team and particularly Lauren Fitzsimmons for her drive in making this week happen.

Reports
The Year 7 – 10 Interim Reports will progressively be made available over the first week of the school holidays. These reports provide the opportunity for you as parents to help your son/daughter reflect on their approach to their studies over the holidays.

Start of Term Three
Term 3 starts for students on Wednesday 7th October (Day 3). A reminder that students return to school in summer uniform.

The school holidays provide an opportunity to have uniforms cleaned and repaired, hem lengths on the skirts and tunics checked and lowered if needed and appropriate sports and school shoes purchased or repaired where needed.

May the next two weeks of school holidays be a safe and joyous for you and your family. We look forward to seeing you all in Term 4.
Catholic Life and Mission
Prayers for HSC Students

As the Year 12 students begin their journey towards their final exams, the St Leo’s community is doing all we can to support them. One way of helping these students on their journey is through the offer of spiritual support. Each Tutor class from Years 7-11 have been asked to taken on a few Year 12 students from their associate House and have these particular students as the focus for their Tutor prayers.

I ask that we extend this further out into our community. If you have a student connected to a Tutor class from Year 7-11, I extend the offer to you to take these students into your prayers and pray that they achieve their full potential.

You may wish to pray the following prayer for the students:

Dear Lord,

Let us pray for ___(names of your Year12 students)____ as they prepare themselves for the Higher School Certificate. We ask that they especially feel your closeness during the HSC exam period.

Give them calm hearts and quiet confidence in the knowledge that you hold them in the palm of your hand. Bless them with keen understanding and retentive memory. Give them the ability to grasp things correctly.

Point out the beginning, direct their progress and help them in the completion of each of their responses. Holy Spirit send them your gifts of wisdom and knowledge.

We ask this through Christ Our Lord. Amen

St Leo, pray for us.

Ashley Sadler
Acting Religious Education Coordinator

**Year 10 Street Retreat**

For many years, St Leo's College has conducted one-day “Street Retreats” for students in Year 10. Generally the concept of a “retreat” conjures up images of an escape to some serene and remote country setting. But for small groups of Year 10 students their retreat is a day of walking tour through the heart of the city, encountering some of the most marginalised people in our society. They learn about poverty, homelessness and addiction and how Christian organisations are reaching out in compassion to help people get back on their feet.

Last Wednesday was the fourth Street Retreat this term. We began with a liturgy in the College Chapel at 8am, reflecting on Jesus’ teaching “I was hungry and you gave me something to eat…” (Matthew 25). We then caught a train to Wynyard and walked through Martin Place where, for our first conversation with a homeless person, we stopped to chat to Barry* who was lying on some blankets at the side of the walkway. “Coming across Barry, it was really confronting and scary! When we started talking he was really hard to understand. But then he started making up an amazing rap about his choices in life and living on the street. That made me realise some of the real problems that people face,” said Danielle. Barry decided he wanted to be our tour guide, and insisted on taking us for a quick visit to the beautiful St James Anglican Church.

From there we continued on to Woolloomooloo, stopping for some more conversations along the way. “Once they start talking you realise that they are actual real people with their own stories and families. They’re just like us, but have had some bad luck or made some bad choices in life,” reflected Danielle. There we visited Hope Street, a Baptist organisation to support the homeless. “There need to be more places like Hope Street where people can get help. They do some really great stuff for the homeless like the Op Shop which gives them clothing and blankets, and offers training for them in a cleaning business.” said Gaudette. At Hope Street we listened to the stories of Arthur* who described how after leaving prison he had no where to go and ended up on the streets. We also met Danny* who described himself as a “Mozzie” – part Maori, part Aussie! Danny talked about how the world was his oyster when he was young but he blew it through drugs. He explained how his struggles with addiction led him to life on the streets, but also of his journey to beat the addiction and successfully rebuild his life.

We went on to walk past the Matthew Talbot Hostel, run by the St Vincent de Paul Society, the largest refuge for homeless men in Australia. We also visited the Wayside Chapel in Kings Cross. Our new Prime Minister, Malcolm Turnbull is an ongoing supporter of the Wayside Chapel, having once auctioned off his leather jacket for $1800 that was donated to them.
We finished the day at St Canisus Catholic Church in the Cross, with some shared reflection on our experiences of the day. “The main thing that I learnt was to take every opportunity as it comes and stay close to your friends and family as they are the people who can get you through hard times,” commented Danielle.

“Yes, we’re so fortunate to have family, and friends as we do, and go to a nice school, to have so much support around us,” added Gaudette.

*Names have been changed to protect the privacy of those we spoke to.

**Kiribati Immersion Experience 2016**

The current Year 9 cohort has the opportunity to be part of the Pacific Island Kiribati Immersion Experience for 2016. Kiribati may not be one of the world’s most frequently visited destinations, but for a small group of St Leo’s Catholic College students an 8 day visit to one of the poorest countries in the world is set to be a truly memorable and “life changing experience”.

The hope is that through this experience, students will see the world differently, with a deeper spirituality and most importantly a commitment to faith in action that does not end with the trip but rather opens the door for the future.

The aims of the trip is for students to:

- develop understandings of social justice within a global context
- experience life, faith and justice from a new perspective
- broaden experiences through exposure to a different culture
- share experiences with The Sacred Heart School in Tarawa, Kiribati
- build knowledge of the region, its culture, people and geography
- develop leadership skills and resilience
- promote long lasting relationships with communities in Kiribati
- create a mutually beneficial cultural exchange forum via online communication
- how how each one of us can make a difference both individually and as a College community
- “put faith into action”

Currently available for students is an information booklet and application form. This can be collected from Ms Stimson or Mr Smith. There will be a presentation on Kiribati at the Parent Information and Involvement Evening on the 12th of October at 7pm in the new College Library.

An opportunity not to miss!

Ms Jamie Stimson and Mr Nathan Smith
Kiribati Facilitators 2015
Information for Parents and Students:

Great news!

St. Leo’s Catholic College has subscribed to the ELES Online Study Skills Handbook.

The ELES Online Study Skills Handbook provides a comprehensive and interactive online guide for the College community (students, parents and teachers) as to the study skills needed for success in high school studies. This approach taps into students’ affinity with technology to create a new and effective way to improve students’ study skills.

This is a great online resource for parents and students to address all their study skills issues and concerns and enable students to learn new ways to improve their results at school. The handbook has a huge amount of information for both students and parents as well as a large number of interactive activities.

To access the handbook, go to www.studyskillshandbook.com.au and login as a subscriber with these details:

Username: leos
Password: community

We encourage all parents and students to take advantage of this opportunity to further develop their students’ study skills abilities through this online resource.

www.studyskillshandbook.com.au

Please note:
The above user name and password is for the use of the secondary school parents and students AT OUR SCHOOL ONLY. Please do not pass our school’s details onto students or parents from other schools or other individuals or organisations as this is a prosecutable breach of copyright and also will result in frequent password changes for our school. Please also ensure you read through the terms of use the first time you access the handbook.
Second Hand Text Books for Year 11 and 12
The students of the College have access to the sustainable school shop, a website dedicated to the sale of second hand textbooks, uniforms and other school equipment. There is a small membership fee which gives you access to the site for 1 year. Great savings can be made by purchasing items seconds hand. Items to be sold or purchased are registered on the site and these are matched with a buyer. Priority is given to those that match the St Leo’s community, however items from other schools are also matched. Any queries regarding this can be found at http://www.sustainableschoolshop.com.au/

Around the Grounds

NSWCCC Athletics Championships
What a great size team we had representing the College and BBSSSA at the NSWCCC Championships.

On the day our team were very impressive proving to be very competitive. Some of their great results are listed below:

Frank Morris 1st Place Javelin
Keeley Bowen 1st Place 200m Heat
Jake Seiler 2nd Place 200m Heat
Ryan Stack 2nd Place 200m Heat
Samuel Park 3rd Long Jump
Jared Pejkovic 3rd Triple Jump

Not only did we do well as a team, our athletes representing the College competed with great pride for their school and Diocese. They pushed themselves to their limits and challenged their personal best. Most set the bar for future years ahead by achieving new PB’s to work towards. In my book this is nearly as good as winning that race or event.

Well done team, congratulations!

Rugby League 9’s Championships
This year we had two junior boys teams, an inters boys team and an inters girls team.

Our defending champs, the juniors, went into this day with absolute determination under the guidance of Mr Privett. They were tough and they played fair but this year was not to be. The juniors played extremely well applying their plays from training but unfortunately we could not match the brute strength and size of some of the other teams.

The inters boys entered this year with one reserve and a late call up. The team was very thin due to injuries and other school commitments. Regardless the team went in strong. The first game was against our rivals St Paul’s Manly and unfortunately we lost by one try. It was a fast game being 9’s and it was a race for time in a game that was going try for try. Time beat us in the end but nevertheless a great effort. The next game was against Manly Selective. This game would put us in the semi finals. We played a good attacking game and won this game, however, unfortunately due to a couple of injuries, we were unable to play in the semi finals.
The inters girls put on quite a show. Some very explosive games. Each girl was out to prove that they could play and are better than their opposition. When we played the ball wide our teams did fantastic as we were able to utilise our speed. This year the girls finished up in second place. The girls have come a long way from when they first started last year.

**Our Coaches and NRL Officials top picks for outstanding play on the day:**

**Junior Boys**  
Nathan James, Nathan Hassan, Mitchell MacDonald, Aiden Brophy, Billy Pollard, Joey La Torraca and Joshua Christy.

**Inters Boys**  
Keeley Bowen, Jake Seiler, Ray Takchi, Nathan Guptill and Russell Yates.

**Inters Girls**  
Tahlia Macri, Xara Hughes, Hannah La Torraca, Brittany Wells, Sophie Thompson and Sarah Dever.

Well done team!

**Summer Sport Representative Trials**

**Cricket**  
Cricket trials have begun in the last 3 weeks. The final team will be announced first week of Term 4. Thank you to all students who trialled for our First XI and Junior team.

**Touch Football, Tennis & Beach Volleyball**  
Selections will begin early next term for these sports. Anyone interested in playing for the College should sign-up online via the sport website, [www.SLCCSport.com](http://www.SLCCSport.com).

Tennis & Beach Volleyball will be Term 4 only. Touch Football will run for the entire Summer Season - Term 4 2015 to Term 2 2016.

**Sport for Life Program**

**Year 9 & 10 Surfing Program**  
Each year we run our Elective Surfing Program as part of the Sport For Life Program in Year 9 and 10. We believe in giving our students the best possible opportunities to broaden their experience outside of our mainstream sports. Not only do students learn how to surf but they learn about the dangers within the surf, how to read the surf, understand rips and gain survival techniques when around the surf. In a country surrounded with some of the best beaches in the world and so much water, what an invaluable activity and skill to learn.

Registration for this has already taken place and closes at the end of the term. Surfing will begin Week 2 of Term 4 and will run for 8 weeks.

**Year 7 Sport For Life**  
During sport this term Year 7 have been part of the Swim & Survival Program working towards gaining competency in their swimming abilities but also gaining the necessary skill to help themselves or another in the water to prevent drownings.
Other activities Year 7 have been involved in during the course of the term are frisbee, circuit training and sword combat.

Sword Combat is an activity that is not your mainstream type of sport. It involves participants using a foam sword where they learn numerous defence and offensive techniques. They then apply these in a friendly point scoring competition. This is very good for hand and eye coordination and learning reaction timing.

**St Leo’s Annual Swimming Carnival**
The College Annual Swimming Carnival is fast approaching. It will be held at the Hornsby Aquatic Sports Centre on the 20th November 2015.

I would like to encourage all students and their families to get involved as much as possible in what is shaping up to be a fantastic event.

Registration for all swimmers wishing to participate is open and is available via the College App, Student Pastoral Page and Sport Website.

Students entering in novelty events need not register.

**Entries Close: Sunday, 1st November 2015**

**The College Sport Website**
The College Sport website opened in Term 1 to give parents and students a gateway to gain quick information on sport as well as acknowledge the achievements of some of our sporting people.

People are still not aware of its existence so when you get an opportunity, take a look and keep up to date with information regarding sport.

The website is accessible via the College App or at [www.SLCCSport.com](http://www.SLCCSport.com)

**New Broken Bay Sport Website**
The Broken Bay Secondary Sports Association (BBSSSA) have been working on a new website which is to reflect the NSWCCC website.

The website will give you all the necessary information regarding sport our College is involved in within the Diocese of Broken Bay. The website will provide a calendar of events, upcoming events, closing dates, registration, results, pathway information and much more.

**Broken Bay is proud to present our new website:**

[www.brokenbaysport.org.au](http://www.brokenbaysport.org.au)

Please take a look!
**NSWCCC Sport Information**

For all your sporting information at a NSWCCC level including event dates, registration for an event, closing dates, calendar of events, results, qualification process and any other information please visit their website on:

**Need to Register for a NSWCCC event?**

All sporting events in NSWCCC and All-Schools require parents to register and approve their child online.

To register your child for a particular sport for the first time you will need to be allocated a username and password. This can be done by clicking the login button. Following this you will need to click the links below and then follow the prompts:

- ‘What’s my password?’
- ‘I am a parent /guardian of a student’
- ‘Secondary school student’
- ‘I am having trouble logging in’
Br Colin Smith Choir Festival

A celebration of Colin Declan Smith’s contribution to the liturgical life of Australia

Ten years after Colin’s death, we invite you to experience the enduring spirit and prayerfulness of music from the composer of the Mass Shalom.

Sunday 18 October 2015, 2.00 pm – 4.30 pm
Our Lady Queen of Peace Catholic Church
Cnr. Victoria Rd and Westminster Av, Gladesville

Entry by donation
Bookings recommended: email eccoad@gmail.com
