The St Leo’s newsletter, “The Pride” is now posted on the College Website under St Leo’s News. This print only version will be archived on the College Website and as a hard copy available from the College reception.

Principal’s Message

Last week on 8 August we celebrated the solemnity in the Church’s calendar of our first Australian saint, St Mary of the Cross MacKillop.

*St Mary of the Cross was a brave leader, she founded the new congregation of the Sisters of St Joseph of the Sacred Heart in 1867, making hers the first order of nuns established by an Australian. She was a woman of courage, relatively small in stature but had a heart that enabled her to move through challenges and obstacles. She was convinced that the needs of the Gospels required her Sisters to go to the areas of greatest need.*

Mary MacKillop’s gift was that she saw things differently to many others. *Nothing unpleasant in others blinded her to seeing God within them; she recognised their basic dignity as human beings. In this Year of Grace we are called to see the face of Christ in all we encounter and we are challenged to display the face of Christ for others in what we say and do.*

Dear Parents, Guardians, Care Givers, Grandparents, Students and Friends,

In the past fortnight the College community has experienced the highs and lows of life.

Last Tuesday, 4 senior students and I represented the College at the funeral to celebrate Kevin Best’s life. Kevin’s granddaughter Laura Gregor graduated from St Leo’s last year. Kevin was a well respected landscape artist who supported the College for many, many years with his time on the P&F and financially with donations of money and art works. Kevin was instrumental in starting the St Leo’s Arts and Craft show that continues today. The stories shared of Kevin’s generosity for helping others were truly inspirational. Kevin Best lived Mary MacKillop’s saying ‘never see a need without doing something about it’.

Our thoughts and prayers are extended to all his family and friends.

Last Thursday the school community was shocked by the news of the passing of Paul Boguradzki, son of staff member Laraine Boguradzki. Paul was completing his HSC at Bradfield College and was a talented musician. Our condolences to the Boguradzki family for the untimely passing of Paul. Please keep Laraine, Mark (Year 9) and the family in your prayers.

St Leos’ Parent Dinner Dance

I would like to thank all those who attended the the Parent Dinner Dance on Saturday 4 August. It was great to see so many parents attend, having such an entertaining night together. As I expressed on the night, it is important to take every opportunity to get to know the parents of your children’s friends as there can be huge benefits with this type of networking for your relationship with your own adolescent as you journey on the rollercoaster together. I would like to thank all parents who were involved in making the night the success that it was. I would especially like to thank Kathryn Carmody, Virginia Gahan, Anne Thiele, Pauline Placko and David and Genevieve Funk for their time and efforts in doing the behind the scenes work.

Parent Network Meeting - 7.00pm - 15th August - College Library

I encourage all parents to attend this meeting. There will be a Principal’s Update, followed by a presentation *‘Going from Blame to Balance ... Conflict to Peace’* by our Director of Pastoral Care, Louise Fentoullis. As with all Parent Network Meetings there will be a time to share the collective wisdom of the group. It is a great way to meet other parents and pick up some helpful hints along the way.
Busy Time for Seniors and Time for Juniors to Reflect
At the Principal's Assembly this week, I set the challenge for students to reflect on their involvement and commitment not only to their own learning but also the greater good of our College community. Term 3 is a time when our senior students are almost forced into reflecting on their involvement at school. Year 10 students are making subject selections for next year and now coming to the realisation that the past three and half years were an important time to set the foundation for successful senior study. Year 11 students are contemplating whether to step up into official school leadership roles and reflecting on their involvement in school life over the past four and half years that has displayed a commitment to the College community and developed their leadership skills. Year 12 are reflecting on their time at St Leo's when they list their involvement in the multitude of extra curricular activities for their school references. For some students it is a time of celebration and for others there may be regret about opportunities lost. The challenge for all students is to maximise the time you have left at school by doing your very best in class and being involved in as many activities as possible. I ask that parents support their children in tackling this challenge.

MR MARC REICHER
ACTING PRINCIPAL

Message from the Assistant Principal

VALUES
One of the St Leo's College core values is respect. What does this look like in our world? We sometimes look to the big things by which we judge others and ourselves, for example, how do we treat people of different origins with respect and dignity when they come to our land? However it is the little things over which we have control:-

# do I stand back and let others in ahead of me or do I push through the crowd
# do I show respect when travelling on public transport or while waiting for my bus or train to arrive
# do I show respect for myself and others in the language I use in a public place
# does my opinion or my needs count more then any others
# do I respect my environment and leave it the better for having been in one place for a short period of time
# do I respect other people’s property
# do I respect another person’s reputation or do I use public media to belittle them.

Unfortunately each of the above incidents have been in evidence in recent weeks.

Ask anyone what treatment they most want. They will likely top their list with the desire to be treated with dignity and respect.

On Friday we had in the sadness of our College community an opportunity to show respect and consideration for each other. It was wonderful to see how the students could rise to the occasion. The test will be that this becomes the norm.

Over the next few weeks, our Year 11 students will put themselves forward for Student Leadership for 2013. Initially they nominate and then are voted by both their peers and teachers. A candidature is determined and are interviewed by their Year Coordinator and a member of the College Leadership. A recommendation is then made to the College Principal. The chosen group will experience a Leadership Camp where they will as a group determine their goals for 2013.

Activities for the next two weeks

**Week 5**
- Monday 13/8: HSC some individual projects due.
- Year 10 Geography Field Study. Last day of Year 12 Trials
- Tuesday 14/8: Mass at 8 am. Year 9 John Marsden Excursion. Meeting at 6pm to discuss History trip.
- Wednesday 15/8: Mass at 9 am to celebrate the Assumption of Mary. Permitted Early Leave. Family Network Meeting at 7 pm.
- Thursday 16/8: Year 11 Catechist program
- Friday 17/8: HSC English Extension 2 project due. Year 10 Shakespeare experience
- Sunday 19/8: National School Aerobics Competition

**Week 6**
- Monday 20/8: Society and Culture PIP due to BOS
- Tuesday 21/8: Year 9 2013 Subject Information Evening at 7.30
- Wednesday 22/8: HSC Drama performance. Year 10 Road Trauma Forum.
- Thursday 23/8: Year 11 Catechist program
- Friday 24/8: Year 9 2013 Subject Selections due

Mrs Susan White, Acting Assistant Principal
Pastoral News

DATES FOR YOUR DIARY

PARENT NETWORK MEETING
All members of the College Community are welcome.
Wednesday 15th August 2012 from 7pm in the College Library.
Topic: Going from Blame to Balance ..... from Conflict to Peace. Strategies to resolve conflict.
Presenters: Mr Marc Reicher, Acting Principal and Mrs Louise Fentoullis, Director of Pastoral Care.

FATHER’S DAY MASS AND BREAKFAST
Friday 31st August 2012, 7.30am in the College Chapel.
Bishop Rev David Walker ... celebrating Mass

YEAR 11
Year 11 have had a busy few weeks. Students have been involved in the Mentoring Program, run by Mrs Louise Weihen whilst Year 12 are doing the Trials. The aim of these sessions is to allow students to start developing study skills in preparation for Year 12. All students will again be offered the opportunity to participate in the Mentoring program in Year 12.

Parents and students are again reminded of the importance of bringing in absentee notes immediately after an absence. Under the new attendance guidelines it is essential that we are able to account for students’ absences. Students are also reminded that if there is any reason that they cannot complete an assessment task on time they must have a Doctor’s certificate and an illness and misadventure form. These must be handed in immediately upon return to school.

Two of our Year 11 students recently took part in a Seminar at Parliament house for young women. Their report is below:

"On August 3, we had the opportunity to attend the Young Women's Leadership Seminar conducted at the Parliament House in Sydney. Through-out the day we met 100 other girls from different schools, had a guided tour around Parliament House and discussed the issues that might affect woman leadership roles. We met we extraordinary women; The Hon. Lynda Voltz MLC, The Hon. Linda Burney MP and The Hon. Natasha Maclaren-Jones MLC. Even though they were from different political parties these role models were able to share their unique experiences from politics. Both of us, now feel a deep inspiration and have encouraged us to participate in public life. We are thankful for the chance to strength our understanding of leadership".

Alexandra Drum and Allie Joyce

YEAR 10
During Tutor Time, all students in Year 10 had the opportunity to listen and engage in various presentations by KLA coordinators on subjects being offered here at the College for 2013/14. The presentations listed the subjects on offer, a course description of the subject, requirements and assessment guidelines.

This information is in addition to the Parent Information Night held at the College on Tuesday 7th August. All this relevant information will empower our young men and women to make informed and appropriate subject selections for their stage 6 education.

On Friday 10th August, all students will be involved in a Vocations Awareness Day. This event is organised by Mr Ralph Kershler, the College Youth Minister Coordinator.

Year 10 Coordinator, Angelo Solomonides.

YEAR 7
Parent Teacher interviews
It was good to see so many parents and their Year 7 sons or daughters meeting with their teachers in the first two weeks this term to review the year so far. This partnership in learning can make a big difference to the students’ achievements. During tutor time, tutor teachers and students have been following through with a reflection on their report, asking questions such as: What has the student done well? Why? How can they continue to do well? What are areas for improvement? What steps can be taken for improvement to be realistically achieved? The school diaries have a wealth of suggestions.
Gideon Bibles
As happens every year, Gideons International were invited to visit St Leo’s to present a pocket sized copy of the New Testament, Psalms and Proverbs to each member of our Year 7 cohort. We thank the members of Gideons, and Mr Kershler who kindly arranged this for us. Students were given their personal copies in the first week of term.

‘For God so loved the world that he gave his only begotten Son, that who-ever believes in him shall not perish but have eternal life.’

Student Representatives
Now that students have well and truly settled in, Year 7 were invited to nominate for the Student Representative Council. A number of students put forward great profiles and were able to explain how they could serve the student body. Congratulations to all!

Two students will go forward to the Council, Luke Antoun and Caitlin Cameron. An additional set of students will form a Year 7 Student Representative Group: Josh Reidy, Millie Garrick, Zoltan Snead, Sarah Chahine, Angela Clarke, Sophia Groundwater, Elizabeth Hughes, Logan Knight, Danielle Nichols, Rebeka Finn, Rebecca Kelland, Ben Molloy, Selena Gabonian. Their first role will be to lead Year 7 and the school in prayer during the Principal’s Assembly in Week 5.

iPads
There has been much excitement among some students as ipads have been allowed into the classrooms. They are an engaging new tool for learning – but it is the learning remains the most important goal. I look forward to seeing some great examples of students depicting, exploring, examining and analysing the world around them, and creating, designing, appropriating, and synthesising ideas in all their subjects using all the tools at their disposal. I have also reminded students that particularly with ipads and laptops, school bags need to be handled carefully – no throwing bags, sitting on bags or bag ‘mountains’ please!

Help with Japanese visitors
Congratulations and thanks to those students who volunteered to help with our Japanese visitors last week, during recess and lunch. Mrs Todd had high praise for the way these Year 7 volunteers were consistently in the right place, at the right time, taking care of the Japanese students and their teachers with kindness, grace and good humour despite the language barrier.

Megan de Kantzow, Year 7 Co-ordinator

August / September Competitions
Creative Problem Solving Competition
Open to year 7 and 8 students. Students will sit a 40 minute test to demonstrate their knowledge and skills in the area of creative problem solving.

Prize pool
1st - Apple iPad
2nd - $200 worth of gifts
3rd - $100 worth of gifts

There is a sign up sheet in the library and hanging outside the school office. Sign up by Friday 17th August. Entry fee: $20
The 2012 Robin Anderson Film Awards
Open to year 7 to 12 students.
Produce an 8 minute or a 90 second short film or digital animation. Either fiction or non-fiction (documentary).
Prize: Entry to the Australian Film, Television and Radio Open Program for schools, $2000 cash prize.
For details, entry forms and advice, please contact Ms. Filatov: ksenia.filatov@dbb.org.au.

Debating and Public Speaking

Year 9 team reaches the finals
The Year 9 team won eight debates in a row to reach the final round of the Catholic Schools Debating Association competition. The finals were held at the Broadway campus of Notre Dame University. Our team was affirmative to: That we should fine political parties that break election promises. Unfortunately we were narrowly defeated by Wollomi College. Congratulations for a fine effort from a very committed and organised team: Juliette Dahdah, Andrea Dingley, Monica Gonzalez, Hannah Hayes, Bianca Italiano, Zoe Tákala and Mark Bell who stepped in at short notice in the Quarterfinal round. All team members represented the school with dignity and grace.

Sydney University Debating Society workshop
On 27 July four Year 10 students, Dominic Cantrall, Benjamin Field, Tobias Hilton and Tim Larman-Yalda attended a day at Sydney University. They debated three times and received very detailed feedback from the student adjudicators. We won against Fort Street and James Ruse and were narrowly defeated by Sydney Girls High. Most of the other teams were made up of Year 11 students so our team's high point score was exceptionally impressive.

Public Speaking
Mark Bell of Year 9 competed in the Legacy Public Speaking competition held on 24 July. He presented a well-spoken and thought-provoking speech but did not go on to the next round. Georgia Hopkins of Year 8 was also to compete but unfortunately was unwell on the day.

A number of students in Years 7 to 10 are registering to compete in the United Nations Youth Australia Public Speaking competition to be held in September. They will present a prepared speech which relates to an issue of international relations and will also test their impromptu speaking skills. For students, this is a wonderful opportunity to learn more about the world as well as present their views to their peers.

Neryle Sheldon, Debating and Public Speaking Coordinator

Library News - John Marsden, visiting Author
Tuesday 14 August Year 9 will be attending an author talk by John Marsden to be held at Abbotsleigh School. John has written many novels of great appeal to young adult readers. The first novel in the Tomorrow series, Tomorrow when the war began, is studied in Year 9 English and many students would have seen the recent movie version. The opening caused quite a stir when the book was published in 1993. A group of teenagers return from camping to find their rural area has been invaded and captured by a foreign (unnamed) nation. One stir came from the very idea that Australia could be invaded so easily and an even bigger stir came when adult readers realised that the teenagers had been camping without adult supervision. The power of the written word. This book is so engaging that many students go on to read the other six books in the Tomorrow series.

Last month for Premier’s Reading Challenge
A number of students have already completed the challenge and we will be encouraging the many who are very close. Another pizza lunch will be held after the challenge closes on September 1.

Neryle Sheldon, Teacher Librarian
Junior Girl's Soccer

Round 1: In the girl’s first match of the season they faced a strong side from Terra. The girls bonded well and put on a great show. Unfortunately they went down 2-0 in the first half. The girl’s then fought back and dominated the second half but unfortunately could not put the ball in the back of the net. Strong defence in the second half meant that no further goals were let in and the match ended 2-0 in what didn’t correctly depict how the game was played. In the girls first game all together it was good to see them working well together and hinted that there could be big things to come.
Round 2: The girls came up against an energetic St Patrick's side. After a slow start, the girls eventually eased into the game to gain the upper hand. Sarah Dever & Emily Hughes dominated in midfield and Madi Bonato had strong presence at the back. Super-sub Sarah Chahine was lively and it didn't take her long to inject herself into the match. After enjoying the majority of possession, territory and shots in the first half, we were finally rewarded with a goal to Emily Hughes on the stroke of half time. The second half was much the same with the girls maintaining control of the game. Sydney Antonio was impressive, dominating with an encouraging physical effort at right back. A harsh lesson was dealt to the girls' when St Pat's snuck in an equaliser to steal a point at the death. Football is a cruel game, and unfortunately the best team doesn't always come away with the result. The importance of finishing our chances and putting the game to bed when you have the opportunity was highlighted today. We will bounce back a stronger team after today's encouraging performance.

Round 3: Today the girls confronted their biggest challenge yet, against an imposing Bethlehem side. Not only were our opponents a much larger side, they sported an impressive goal difference of +14 heading into this round. We got off to a great start with the girls coming flying out of the blocks. Eloise Princi broke the defence to create an early chance. Though it didn't take long for Tuesday's shooting practice to wear off as Emily netted a cracking goal about 10 minutes into the contest. From here the game opened up into an end to end affair. Anything could happen at any time and the team that wanted it more would prevail. Some brave goalkeeping from Alice was supported by a brave player-of-the-match performance from Sarah Glendenning at the back. Lani and Brielle worked tirelessly in defence and penetrating in attack, and were vital in the win today. Jemima provided excellent throw in's and Natasha was rock solid in defence. Jasmine was highly impressive today in her best showing of the season so far. At the end of the day, we were duly rewarded with a win. It was a great team performance and it is impossible to flaw any of the girl's efforts. Today we showed what we are capable of, knocking off one of the premiership contenders. With a quality squad and consistent efforts at training, there is no reason why we can't be a serious contender ourselves. Well done girls! Great stuff!!

Will & Tom.

NSWCCC SOCCER KNOCKOUT – QLD TRIP
On the 19th of July, the Opens boys and girls soccer team embarked on a trip to the Gold Coast. With a 5am departure from school didn't bother most as we were all excited and thrilled to be going away to represent the school in a game of soccer. With the trusty companions of Miss Watts, Mr Riecher and Mr Fielder both teams knew that we were in good hands. Upon the arrival into Queensland, with the sun shining and the clear blue skies we all knew that is was going to be a memorable trip. Even with the disappointing losses to both teams (Boys 1 - 0, Girls 5 - 1), Miss Watts, Mr Reicher and Mr Fielder were still pleased and proud about how the way we all represented ourselves with the St Leo's spirit and sportsman ship, and due to this we were able to spend the next day at Dreamworld, in order to de-stress and relax.

A special thanks is to go out to Mr Trotz for organising the trip, and also Miss Watts, Mr Reicher and Mr Fielder for looking after both teams. This trip was a great success.

Bree Bowden (A Grade Player)

On Thursday 19 July, the Senior Boys' and Senior Girls' teams trekked it all the way to Murwillumbah to represent the Broken Bay Diocese in the NSWCCC Knockout Competition. The girls came up against a hot Trinity Lismore side who had not been beaten in any competition this year. After enduring substantial amounts of pressure, the girls finally conceded a goal midway through the first half. From there the floodgates opened as Trinity proceeded to net a couple more in the next few minutes. Alyce Keating netted one on the counter attack, and with some neat goalkeeping from Bree Bowden we remained in the game at half time. However, the pressure became too much as Trinity ran away with it in the second half.

The Senior boys came up against Mt St Patrick's, Murwillumbah who brought about half the town down to spectate. MSP can lay claim to redefining the term "Home Ground Advantage" as some dubious refereeing saw three of our goals disallowed (without justification) within the first ten minutes of the fixture. In what can only be described as a messy match, we found ourselves in a 0-0 deadlock at full time. In golden goal, St Pat's were awarded a "questionable" free kick in a favourable position. In what was to memory their third chance of the match, they nailed the free kick to come away with the bikkies.

Despite the results, it was a well organised tour which was thoroughly enjoyed by both teams and staff alike.

Will Fiedler(A Grade - Boy's Coach)
OZTAG football is the latest craze in recreational sport that now has competitions running all over Australia. The game is low/medium-contact sport and the rules are designed to encourage this.

OZTAG is a great way to keep active and maintain fitness in the summer months.

Are you looking for a way to engage or connect with your child's school?

Parent Network

Wondering what you will do with your evenings when the Olympics are over?
Do you enjoy a glass of wine & some cheese?
Like to hear the latest about ‘what is going on at the College’?
Interested in information which will benefit you & your teenager?

If you answered “yes” to any of these questions, then you should come along to the
Principal’s Updates ….

Principal’s Updates are held once a quarter in the College Library and are a great chance to catch up with the Principal and often other Leadership team staff members in a relaxed, informal setting. We start at 7pm with wine, cheese, tea/ coffee. The Principal will address the group about what has been happening and any other topical issues. There is usually a specific topic for discussion and/or a guest speaker. Finally the floor is open for any questions. It generally wraps up between 8:30 & 9:00pm.

We are very fortunate at St Leo’s that our Principal and other staff are happy to spend time with the parents to share their news and views, and are keen to hear our questions and comments. So don’t miss this great opportunity!

The next Principal’s Update will be on Wednesday 15th August 2012 in the Library starting at 7pm for cheese & wine.

Our special topic is ‘Going from blame to balance … conflict to peace’ which will be of great value to all of us as parents of teenagers.

Come along to better understand how St Leo’s successfully encourages students in:

• Taking responsibility for their behaviour
• Getting it together and staying in balance
• Learning to self-evaluate
• Understanding how & why we behave.

We hope you can make it.

Thank you
Thank you to all who attended the St Leo’s Dinner Dance and a HUGE thank you to the team that made the event possible. It was a delightful social evening for parents and staff. Great work!
