Our Theme - “The Joy of the Gospel - Putting our Faith in to action”

Sunday 5 June, 2016 – Tenth Sunday in Ordinary Time –
“...Young man, I say to you, arise...” (Lk 7:11-17)

Dear Parents, Guardians, Care Givers, Grandparents and Students,

Remember that scene in Star Wars III – Revenge of the Sith, when Lord Vader is asked to “rise” by Darth Sidious? We then see Darth Vader (in his very well known “dark life suit”) after his almost near death fight on the side of the volcano. I am sure George Lucas got his idea of this scene from this Sunday’s Gospel.

There are numerous layers to Luke’s Gospel. On first reading, the passage recounts an extraordinary life giving miracle by Jesus; raising a young man to life, literally from his funeral. On closer reading we realize that it is not only the young man but also his mother who is returned to life.

The mother had lost the only remaining male member of her family. In those times this meant she lost her only means of support, her livelihood and her home. Without a man in her family she would become an outcast in her society. Her son’s death meant poverty, rejection and effectively the end of her life. In one act Jesus restores two lives. By restoring the young man to his mother – his mother can also now live. It is an act of deep compassion by Jesus.

Obviously we don’t have the capacity to enact a miraculous “resurrection” as Jesus (or Darth Sidious) performed. However we do have the capacity and frequent opportunity to restore someone to life in the manner Jesus restored the life of the widow. Whenever we encounter someone who has been cast out by life’s circumstances or by the cruel actions of others, we have the capacity to restore them to a fuller life through our actions. We restore life when we restore dignity and respect to one another; when we refuse to participate in grinding someone down and instead extend a hand to help them up.
At St Leo’s there are many opportunities for our gospel (College) values of dignity, respect, hope, justice and integrity to be enacted; and by doing so restoring quality of life to others. There are “formal” opportunities like the many social justice activities that are available for all students, and more importantly, there are less formal opportunities, in our day-to-day actions. The way we show respect to others, speak to others, include them in our conversations; the opportunities are endless.

We have to choose if we are going to “restore life to others”. Again another challenge for us as Christians.

**Invitations**

**The College Dinner Dance – Have you got your tickets yet?**:
This 60th event is coming up very quickly on us. This whole community event is on Saturday 18 June, 6.45pm at Hornsby RSL. There is a live band and the price is $80 a head. It will be a great evening – please support this event.

www.trybooking.com/KQHM

**Parent Involvement and Information Evening**
Tuesday 31st May 2016, 6.30pm for a 7pm start, College Library

Glen Gerrey has to date spoken at over 500 schools around the world. He is the author of four books, including the children’s book ‘Gifted for Greatness’. As a father of four, Glen understands first-hand how parenting can indeed be one of the toughest jobs in the world. He also knows how rewarding it is to see his children growing up feeling loved, reassured, and closely bonded to the parents. You will leave feeling equipped with the skills to better connect with your children and to empower them to tackle a complex world. In this seminar, Glen will share the five fundamentals of positive parenting.

I invite you to join us at this very informative evening tomorrow night.

**Disney’s High School Musical**
What a huge success this production was and a wonderful way to celebrate the 60th year of Catholic education at St Leo’s.

After four sellout shows, two primary school performances (which were very popular), countless rehearsals, many meetings and just over 1800 people witnessing the production – I pulled the curtain closed on Saturday night a very proud Producer and Principal.

The cast were amazing! They gave 100% in the delivery of their characters, but also in the support they gave each other, and the two directors. Most importantly they won their own personal competition; the fact they could get up on a stage and perform so professionally. My advice to the cast is to take on board that feeling; that buzz that they had at the end of each show, harness it and take it with them into all aspects of their lives. This will be a huge asset in their lives now and after College.
The audiences were blown away with the production, particularly by the fact that students from right across the College – Years 7-12 participated. I was most impressed with the community spirit the show generated; not only amongst the cast but across the whole College community. This spirit cannot be bought … it comes from a deep sense of personal success coupled with a team effort across all Years of the College. I have received much correspondence about the brilliance of the show and I have included one letter here for you to read – it encapsulates what I wish to communicate about the benefits of this production.

**ST LEO’S YOU ROCK!!!**

*I saw the St Leo’s production of “High School Musical” last night and I want to let you know how awesome I think it was and how much I enjoyed it.*

The Leads, Laura Moran and Sam Harmon were utterly fantastic and whilst every students’ notes may not have been pitch perfect, they all showed confidence, enthusiasm, talent, stage presence and gave 110%.

*Though I have no children involved in ‘The Musical’, I feel so proud to belong to such a terrific school. I believe St Leo’s to be one of the best schools on the Upper North Shore for a myriad of reasons and last night’s show is just another one of them.*

*Thank you and congratulations to St Leo’s, the staff involved and of course the stars of the show, the students. BRAVO, BRAVO BRAVO!*

I would like to acknowledge the outstanding skills and personalities of my two directors – Ms Olivia Gauchi and Ms Samantha Murphy. Their dedication, energy and the amount of personal time they gave the students was second to none. This included working during the holidays, hours of rehearsals after school, during recess and lunchtimes, but the reward was there for all of us to see; young men and women who developed tremendous talent and confidence. It was a first class production in every sense.

**Lion Heart Ministry (Year 10 Business Initiative)**

A group of Year 10 Business students have volunteered to work on a project where they set up a business. Last week I had the pleasure of meeting with the finance section of the group consisting of: Rachel Geha, Chelsea Tullia, Issac Russo, Joel Machado and Tyger Fitzpatrick, who outlined their business plan. The purpose of setting up this business is two-fold:

1) To enable students to learn the basic skills of establishing and running a business
2) To assist those people who are homeless, particularly during the upcoming winter months.

It is great to see our students given a real life opportunity to learn, as well as to make a positive difference to those who are less fortunate. This project relates very well to this Sunday’s Gospel from Luke.

The group named the project ‘*The Lion Heart Ministry*’, and it will be run by Year 10 volunteers.
Within the business are 4 departments; Marketing, Operations, Finance and Legal. This project is not an assignment or class work; the students are giving up their own time, every Monday afternoon and Thursday lunchtime, to work towards the main goal; to produce and distribute 'thermal kits', which will contain a beanie, gloves and blanket. They are targeting the 7% of 25-34 year olds in NSW who are homeless (totalling about 374 people).

To be able to progress with the project and be able to produce and distribute these kits, the students are seeking financial contributions from external businesses though sponsorship packages. They are also seeking financial assistance internally within our school community by approaching parents of the College who may run their own business and who may wish to come on board and support our cause. More information will be available shortly.

I would like to acknowledge and thank Mr Nathan Smith on of our HSIE Teachers on his initiative in providing this opportunity for our students.

**Year 11 Retreat**
I would like to thank all the staff who conducted and supervised last week’s Year 11 Retreat at Stanwell Tops. This retreat was a 3 days 2 night camp which had as its theme – “Nature my Spirit, Feed my Soul”. It was a very productive retreat with Fr Peter from Hornsby Cathedral Parish being able to celebrate the sacraments of Eucharist and Reconciliation for our students.

Thank you to Mrs Monteiro, Mrs Hertzeg, Mrs McRae, Mr Privett, Mrs Teys, Mrs Prosser, Mr Vega, Ms Beattie, Ms Smith, Mrs Frykberg, Mr Gallagher and Mr Gomez for giving up their time from their families and their own classes.

**Music Camp**
This past weekend Ms Williams and Mrs Gauchi led a PAWS (Performing Arts Workshop – Music) Camp at Galston Gorge with over 50 of our students. Building a “team” approach is very important with any activity – and this is another opportunity for Years 7-12 students to get together with a common aim – Music!

Thank you to our Music staff for providing this opportunity for our students, particularly for the preparation for the upcoming Eisteddfod.

**The College App – “Skoolbag”**
St Leo’s has launched our new College App, “Skoolbag” in the last week. It is proving popular as over 540 people in our community have already downloaded it.

Unfortunately our previous College App – Satchel was too unstable in its function and use.

**Skoolbag** is simple to use, provides instant messaging, calendar information, wet weather, sport and contact information. It is to be used widely by the school. The App is FREE and in both IOS (Apple) and ANDROID versions.

All parents should have received an email about the use of this app and how to download it early last week.

You can download Skoolbag either from the “Google Shop”, “The App Store” or “Windows Mobile” using the links below:

Simply type in St Leo’s Skoolbag into Google or App Store.

If you have any questions, please direct them Glen Charlier at glen.charlier@dbb.catholic.edu.au

Once you have downloaded the App there are a number of group communications you can select. Please ensure at a minimum you select your son or daughter’s Year Group and then any others you feel are appropriate for your family. Over the next few months more features will become available on the App. Please advise your son or daughter to download the Skoolbag App as this tool is vital in being able to communicate with the students in a timely manner.

Debating
Last Friday evening I had the pleasure of witnessing 2 wins in the Year 11 and Year 12 Debates against Loreto Normanhurst. St Leo’s has the opportunity to debate in the CSDA (The Catholic Schools Debating Association) Competition. It is a rather short season – 6 rounds followed by the eliminations and finals.

Again this opportunity for students in Years 7-12 are made available due to the generosity of the staff.

Thank you to the Debating staff for their precious time.

Coaches:
Year 7  Hayley Tuffin  Year 8  Lorraine Champ
Year 9  Jenny Vu  Year 10  Kim Prosser
Year 11  Michelle Monteiro  Year 12  Laraine Boguradzki

Thank you also for the support of Neryle Sheldon and also her husband Geoff who has been an adjudicator each week.

St Mary of the Cross Mackillop (2/6/1890)
From the Assistant Principal
Parent/Student/Teacher Interviews

Thank you to all staff, parents and students for the very positive and productive discussions that took place during the Stage 6 Parent Student Teacher Interviews recently. These meetings are an important part of the process in ensuring that the three way partnership, between parents, students and teachers works effectively in assisting students to achieve their own personal best.

We now look forward to the Year 7 – 10 Parent/Student/Teacher Interviews will be held on Thursday 30th June (Week 10) from 8:35am until 8:30pm. The following day will be a Staff Spirituality Day, which means that the last day of classes for Term 2 will be Wednesday 29th June.

We will be using the PTO online booking procedure for the Year 7 – 10 Parent/Student/Teacher Interviews. Booking instructions will be distributed over the coming weeks.

2016 – A year marking three important anniversaries

As you know this year we celebrate 60 years of Catholic education at St Leo’s Catholic College. This year also marks two other important anniversaries with Hornsby Cathedral Parish celebrating 100 years since the former Waitara Parish was founded and the Diocese of Broken Bay celebrating its 30th Anniversary of formation.

To mark these two significant events all members of the St Leo’s community are invited to attend two special events:

- The 30th Anniversary of the Diocese of Broken Bay and Feast of Mary Star of the Sea, Diocesan Patronal Saint Mass on this Tuesday 31 May commencing at 7:30pm at Our Lady of the Rosary Cathedral, Waitara.
- 100 years of Faith Celebration in conjunction with Migrant and Refugee Sunday on Sunday 28 August at 11am in The Light of Christ Centre. Mass will be followed by a family picnic (sausage sizzle) and some activities.

We hope to see you at one or both of these two very special celebrations.

Upcoming Events

I would particularly draw your attention to the following upcoming events:

Week 6
Tuesday 31 May      Parent Involvement and Information Evening (Library) 30th Anniversary of the Diocese of Broken Bay and Feast of Mary Star of the Sea, Diocesan Patronal Saint Mass at 7:30pm at Our Lady of the Rosary Cathedral, Waitara.

Week 7
Tuesday 7 June      Photo Day – Portraits
Wednesday 8 June    Board Meeting
**Week 8**

Monday 13 June  Queen’s Birthday Public Holiday  
Wednesday 15 June  Cafe de Leo & PAWS (TLOCC)  
Thursday 16 June  Year 7 vaccinations (HPV2+DTPA)  
Friday 17 June  Year 12 careers Expo Periods 3-6  
Saturday 18 June  60th Anniversary Dinner Dance 6:45pm for a 7:15pm start  
Including Launch of Past Students Association  
College Tours prior to Dinner Dance

**Week 9**

Wednesday 22 June  Photo day – year groups

**Week 10**

Wednesday 29 June  Last Day of Classes  
Thursday 30 June  Year 7 – 10 PST Interview Day 8:35am – 8:30pm (Science/A & B Block)  
Friday 1 July  Staff Spirituality Day

**Catholic Life and Mission**

**Year 11 Retreat, Stanwell Tops, 25-27 May**

Year 11 retreat last week was a time for students to get away from the demands and pressures of ordinary life and to focus on the theme of: “Nurture my Spirit; Feed my Soul.” Surrounded by the natural beauty at the Tops Conference Centre, students heard reflections on, and had the opportunity to share about, a range of topics including everyday heroes, friendship, family and faith.

We also had some fun with a session of African Drumming, camp activities such as a giant swing and go-kart racing, some singing led by musician Simon Hyland, an optional early morning bushwalk and lots of free time to deepen their friendships.

The first night we split into male and female groups as we examined the concepts of womanhood and manhood. The second night was a highlight with a Reconciliation Service that involved a range of activities including writing prayers and affirmations, creating a rice mandala, a labyrinth walk as well as the opportunity for sacramental reconciliation from a priest, Fr Peter, who has recently joined the community at Our Lady of the Rosary Cathedral.

Many thanks to the staff members who shared with the large group and those who facilitated the small group sessions: Mrs Hertzeg, Mrs McRae, Mr Privett, Mrs Teys, Mrs Prosser, Mr Vega, Ms Beattie, Ms Smith, Mrs Frykberg. Year Leader, Mrs Montiero, did a fantastic job of organising the logistics for such a big group over three days and Mr Gallagher provided support for night-time supervision of the students.

Around the Grounds – Sports Report

NSW All Schools Swimming
On Friday 6th May the 2016 NSW All Schools Swimming Championships were held at the Sydney Olympic Park Aquatic Centre. St Leo’s had three representatives at the Championships in Thomas Peregrina (Year 11), Georgia Peregrina (Year 9), and Rohan Bright (Year 12). Throughout the carnival all three students produced fantastic swims with both Georgia and Rohan being selected in the NSW All Schools team to compete later on this year at the Nationals in Darwin.

On the day, Thomas competed in the 17+ Boys 200m Freestyle (6th), the 200m Individual Medley (5th), 200m Backstroke (5th), and the 400m Individual Medley (4th). Tom is one of the youngest competitors in this age group and with another year at St Leo’s in the same age division we look forward to hearing of his future success.

Georgia competed in the Under 15 50m Backstroke (3rd), the 200m Backstroke (3rd) 50m Butterfly (4th) narrowly missing another medal by less than half a second, 200m Individual Medley (5th), and the 100m Butterfly (7th). Well done Georgia and good luck at the National schools titles with your swims in the 50m Backstroke, 200m Backstroke, and Relay.

Rohan competed in 16 years and over Multiclass and won Gold in the 50m Breaststroke, 4th in the 50m Freestyle, 100m Freestyle, and 50m Backstroke, and very close 5th in the 50m Butterfly. Well done Rohan and good luck in Darwin at the National titles later in year with your swims in the 50m Breaststroke, 100m Breaststroke, 200m Individual Medley, and Relay.

NSWCCC Soccer
At the recent Broken Bay Opens Soccer Gala Day, three students were selected in the Broken Bay team to compete at the NSWCCC Championships at Valentine Sports Park in Glenwood. Lachlan Rose (Year 11), Tomas Bonato (Year 10) in the Open Boys team, and Tahlia Macri (Year 10) in the Open Girls Team.

Throughout the championships all three students were influential in the success of their respective teams with the boys team being undefeated throughout the qualifying rounds of the tournament and not having a goal scored against them. In the final the boys played against a strong Southern Sydney team and conceded their first goal of the tournament in a hard fought 1-1 draw before going down in a penalty shootout. Lachlan Rose was the leading scorer in Broken Bay and was very unlucky not to be selected in the NSWCCC Team.

The Broken Bay Opens Girl’s team went one better than the boys and were not only undefeated throughout qualifying rounds of the tournament without having a goal scored against them but then went on to win the final 2-0. This was a massive achievement and while watching the team play it was evident that with Tahlia Macri playing on the right wing most of the Broken Bay attacks and goals came from this side of the field. Well done Tahlia on your Broken Bay success.
Broken Bay Cross Country
Last Tuesday (24th May) a 60 student strong St Leo’s Team competed at the Broken Bay Cross Country held at St Ives Showground. The team consisted of students from Year 7 to 12 competing in events over distances from 3km to 8km. A number of students gained selection from their results to compete for Broken Bay and the upcoming NSWCCC Cross Country at Eastern Creek.

These students were:
- Deven Flanagan (Year 7), Under 13 Boys
- Patrick McLoughlin (Year 10) Under 15 Boys
- Harvey Timms (Year 11) Under 16 Boys
- Rowan Wood (Year 10) Under 16 Boys
- Lachlan Rose (Year 11) Under 17 Boys
- Lachlan Cosgrove (Year 11) Under 17 Boys

Along with these individual results, St Leo’s also achieved a number of fantastic team results on the day and these will be awarded at the upcoming College assembly. Congratulations to all students who represented the College at the Championships and thank you to Mrs Melanie Maisie, Mrs Helen Wessels, Mrs Carolyn Scott, and past student Joseph Jones for conducting training sessions every Friday morning since Term 1 to prepare students.

Bill Turner Cup Soccer
After the Round 1 win against Normanhurst Boys at Donnelly Oval, the Under 15 Boys faced St Ives High School in Round 2. The boys travelled to St Ives High School where they began slowly and fell behind after 2 minutes to St Ives. This meant that not only chasing the game, they were up against a loud local crowd. The boys played well throughout the rest of the first half having a number of missed opportunities and were down 1-0 at half time. The second half started similar to the end of the first half with St Leo’s missing chance after chance and it looked all who watched that it was going to be one of those games. With less than 2 minutes left St Leo’s pushed everyone forward and were awarded a penalty that George Medojevic calmly scored with the last kick of the game. This meant that the game moved into extra time with the rules of the competition meaning that any goal meant a win for the team that scored. After 5 minutes St Leo’s won a corner and with an inch perfect cross Mitchell Haigh headed the winner and a final score of 2-1 leading to progression to Round 3 against Knox Grammar.

Round 3 was against Knox Grammar and played at Currugal Fields in North Turramurra. Again the Under 15 Boys faced an uphill battle after falling behind to an early goal. Knox were able to score again just before half time. 2-0. The boys came out after the break fired up, found their groove, moving the ball around well and creating a number of chances. With a number of chances narrowly missing, St Leo’s were back in the game after a cracking goal from George Medojevic with 10 minutes to go. After pushing players forward, the boys were very close to scoring late on and unlucky not to be awarded a penalty but went down 2-1 in the end. Well done boys on your fantastic efforts in this year’s competition and good luck in the Broken Bay Gala day later in the year.
**Peninsula Cup**
In the last edition of the Pride, the results of the opening games of the Peninsula Cup were published. Since this a number of games have been played by St Leo’s teams in the three age divisions.

The U/14 Boys have faced some very strong sides in the competition in Mater Maria and Northern Beaches Christian School. In the most recent game they faced St Luke’s Grammar School and played out a hard fought 3-3 draw (Hamish McFadyen x 2, Harrison Cole). The boys have two games left in the competition against Northern Beaches Christian School (2nd June), and St Luke’s Grammar (9th June) and if they can win both of these games then they should make the Semi-Finals.

The U/16 Boys have played out two high scoring matches since their first game in the Competition. They have played out a close 3-2 Loss (Nic Todareollo, Jacob Stewart) to Covenant Christian, and a 6-4 Loss (George Medojevic x 2, Paul Wylie, Nic Todareollo) to Northern Beaches Christian School A. Over the next week the boys face a double header against Pittwater House (31st May), and Northern Beaches Christian School (1st June) and need to win these two matches to get back into Semi-final contention.

The Open Boys have finished their regular season matches in this year’s Peninsula Cup as they have a bye in the last round this week. Over the last two weeks the boys played a strong St Paul’s side with a number of regular players unavailable due to Parent Teacher interviews and went down 2-1 (Lachlan Rose), before facing Pittwater House with a number of players out due to Year 11 Retreat. The boys knew that a win against Pittwater House would mean a home semi-final and the boys raced to an early 5-1 lead before finally winning 6-3 (Lachlan Rose x 4, Reinaldo Rahn, Anthony Mitchell). Well done boys on your success this season, and we look forward to hearing of your semi-final results in the game that should be played on the 15th June.

**Track and Field Carnival**
The Annual St Leo’s Track and Field carnival is being held at Foxglove Oval on 23rd June. This is a big whole school event for St Leo’s and has a number of both competitive and fun events for the students to be involved in. Entries will be open to students U/12 – 17+ with all students receiving information this week about the event.

**Upcoming Events and Next Pride**
- **Juniors and Inters Basketball (Next Edition)**
- **NSWCCC Touch Football (7th June)**
- **NSWCCC Cross Country (17th June)**
- **State Championships School Aerobics (19th June)**
- **Athletics Carnival (23rd June)**
- **Peninsula Cup Matches (Listed earlier)**

For more information on any of the upcoming competitions, or to find out more information about a particular sport, or to inform the College about recent sporting performances outside the College please don’t hesitate to contact me on michael.kember@dbb.catholic.edu.au

ADMINISTRATION OF MEDICATIONS IN SCHOOLS
SCHOOL NEWSLETTER ITEM

The Broken Bay Diocesan Schools System ‘Medication policy’ and ‘Administration of Medication in Schools: Guidelines and Procedures’ have been revised.

St Leo’s Catholic College is committed to supporting students’ health and wellbeing. We require parents / carers providing the school with any relevant health information that is required to support the student at school. While this information is collected at enrolment it needs to be updated regularly, including when a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes, epilepsy and other health conditions that may require school staff to provide support to students; (including the administration of medication – prescription or over the counter medication and the need to perform health procedures) will need to be provided to the school in writing in the form of an ‘action plan’ or ‘health care management plan’ and signed by both the parent / carer and a medical practitioner or a prescribing health practitioner. This must then be discussed with the school.

Additionally, any student health care need, action plan or health care management plan that may impact on school activities such as sports, excursions (including camps) must be provided in writing and supported by a medical practitioner / prescribing or qualified health practitioner’s advice.

All Broken Bay systemic schools require medical authorisation from a prescribing medical or health practitioner to administer any medication to students (including over the counter medications such as Paracetamol, Claratyne etc).

Please ensure you inform the school office staff of any changes to contact details including the contact details of the people nominated as emergency contacts.

We thank you for your assistance in this matter.

All information is kept confidential and only disclosed to the relevant staff who are supporting your child.

For any enquiries, please contact the school office on telephone the school on 02 9487 3555.
